

My name is Lizzy Liddie I first arrived  
in Braunston Lock in 1973 when I was  
crewing a pair of hotel boats & here met the  
father of my two children Alice & Adam who  
was working for UCC in at Botton Lock  
Both Alice & Adam attended Braunston  
School & at the present time my eldest  
grandson Andrew is enjoying his time at  
Braunston school - just like his mum did.  
I am very proud to be part of the Braunston  
School Team for the past 12 1/2 years I have  
supervised the after school club & for slightly  
less years also have worked as a lunchtime  
supervisor - both roles I enjoy immensely for  
many reasons. I am the mother of a grown up  
son & daughter & have 4 grandchildren. Apart  
my interests are the carols & history of all class  
of boats, keeping hens & dogs, veg growing &  
the beautiful village & Parish of Braunston in  
which I am so fortunate to reside.
