

### **Jo Longworth**

I am very lucky to have been born and bred in our beautiful village that has offered so much to myself and others over the years. There is a great community Spirit within the village and I try and give back where I can. I have currently been on the Parish Council since December 2015 and have been their representative for the Village Hall committee and would love to continue doing this. I have also recently volunteered to be the Secretary for the Village Hall Committee, I am a Community Car driver and I am also part of the leadership team at 2<sup>nd</sup> Braunston Scout Group which I love. I am lucky to know many people here in the village owing to growing up here around my Family and Friends. You may also know me from my time working in the the village shop where I got to meet many wonderful people now living in the beautiful area. If you would like to know anymore about me please get in touch.

Thank you for reading
