

Hi my name is Peter Biggs, I am standing for election to the Parish Council on Thursday the 5th May and would really appreciate your vote.

My wife Anne is a third generation Braunston girl and I have lived in the village for almost forty years .We have raised our family in the village, now our son and his wife are raising our grandchildren here.

I have been a member of the Parish Council for the last two years, and in that time I have put myself forward for many things,like the Jetty Field sub committee and also enjoy helping with the work in Jetty field as a volunteer . You can also see me on the community car drivers rota.

I am a very visible member of the council and have always made myself available to parishioner whilst walking around the village with my wife Anne and our dog Molly or by telephone on 07828064906.

If you want someone who cares deeply about our village and keeping our rural lifestyle please put a cross next to my name on the ballot paper.
