

## **Election flier insert**

### **Pete Morgan:**

I have been a Parish Councillor for the best part of the last 20 years, resigning due to increasing work pressures in the mid-2000s and being co-opted onto the Council again in 2010. I have been the Chair of the Council for the last 2 years and have tried to help the Council work together for the benefit of the village through initiatives such as the Neighbourhood Plan.

I and my family have lived in Braunston since 1981. I was a member and chair of the Parent/Teacher Association while our daughters attended Braunston School. I was a founding member of the Pantomime Group and am still an active member of the Braunston Players. I represent the Council on the Steering Group of Your Café, the Braunston Village Charities and the Twinning Association Committee.

During the past 2 years, I have worked to make the Council more accountable to the village for its actions and to make the Council's sub-Committees, such as the Jettyfields Management Committee and the Skate Park Committee, the Community Car Scheme as well as the Village Charities more open in how they operate and more representative of the village as a whole.

It has been a privilege and a pleasure to sit on the Council and to work with my fellow councillors to make the village an even better place to live. I believe my experience of working in local government for over 30 years enables me to bring a range of knowledge and skills that assist the Council to fulfil its responsibilities in a way that benefits the village as whole. I am pleased that we are having an election that will mean that the new Council truly represents the village and, if elected, I will endeavour to continue to represent the best interests of the village and to enhance the quality of life of its residents.
