

SUE HARRISON

I have been associated with Braunston for more than 40 years. I am married to Robert, a local farmer. We have 2 daughters, Kate and Claire who were born and live in the village. I have mainly worked in education as well as running several small businesses.

I am always willing to listen to your views and concerns and to act as your representative on the Parish Council. I think it is essential that opinions are shared and policies are fully discussed. Decisions made should be on merit and made for the benefit of the community as a whole.

I believe the Parish Council should support and encourage local businesses to provide employment and to maintain Braunston as a vibrant community. We also need to promote affordable housing so the younger generation can remain in our village.

Having served on the Parish Council for just over a year, with your support I would welcome the opportunity to continue. I am pleased that this is a contested election and I hope that you will vote and feel represented by your new Parish Council.
