Advent – What are you waiting for?
Waiting. We’re not very good at that anymore, at least I know I’m not! But in this instant-everything modern age, we get frustrated if we have to wait for any length of time. Waiting feels like time wasted. And who can afford to waste time these days? We have too much to do, especially to be ready for Christmas.
But the advent season is all about waiting
Advent, meaning ‘coming’, begins four Sundays before Christmas and ends on Christmas Day. It is intended to be a time to reflect on God coming to earth in the person of Jesus Christ and look forward to when Christ will return again.
Maybe a little waiting is a good thing. I can’t believe I’m saying this but bear with me. Here are 4 things that I think we can get from waiting. They just might help the next time that you’re stuck in a traffic jam on your way to an important event.

Waiting reminds us that we are not the centre of the universe.
It’s so easy to get caught up in our own plans, that’s part of what makes waiting so frustrating, and so valuable. Being forced to wait gives us the opportunity to remember that other people have plans and priorities as well. That doesn’t make our plans unimportant, but it does put them in perspective.

Waiting reminds us that we are not in control.
At the very least, waiting forces us to realise that not everything always goes to plan, we are dependent on other things and people and ultimately on God.

Waiting reminds us that time is a gift.
Forced to wait in a queue at the supermarket for several precious minutes, I have a choice. I can choose to grumble and gripe about the loss of my precious time, or I can remember that those very minutes were a gift and so be thankful.

Waiting reminds us that the present matters.
Sometimes I think waiting frustrates us because we’re too future-oriented, always focused on what comes next. But what about now? How can we live more fully in the present?
I think the advent season is a great opportunity to think differently about time.
Advent can become a manic rush to get ready for Christmas but maybe this year we can stop and wait and know that life and time is a gift from the God who sent Jesus at just the right time.

May I wish you all a very Happy Christmas,
From, Rev Nat

Please take note: - These are all the floodlighting requests received before the BVN Deadline – 18th November 2018

Floodlighting
If you wish to have All Saints’ floodlit for a special occasion it is very helpful if you could use one of the request forms from the back of the church. The current fee is £7 per entry, although you can give more, and we ask that you try to keep the length of the dedication for inclusion in the BVN to not more than 12 words. The completed form with the donation can then be left at the Rectory or at the village Post Office.
Aren’t we lucky to live in such a beautiful place. The autumn colour has surpassed itself this year. Who needs to go to the States to see their trees when we have our very own trees here. It is times like this that I wish I could paint, but no chance. Have you seen the new seat in Jetty Field? It is glorious and reminds us all that we must remember all those who gave their lives in the great wars so that we could be free. I just wish that there was an end in sight to the end of all wars and terrorism.

I have had an exciting month with coming 4th in one quiz and winning another, not by myself but with some very clever people. Sadly, my mind, like most of me has gone south!

I expect you are all getting ready for Christmas. I visited a friend last week who had all her cards written and stamped. All her presents wrapped up and I felt a bit sad that I had lots still to do. Then I remembered we are only half way through November so plenty of time to get down to it ha ha. I do enjoy Christmas shopping but everything seems so commercialised now and we seem to have forgotten what the real meaning of Christmas is. Please do make a note of when and where the Church services are, fully displayed on the front page. Also remember that the 11.15 services will be in the village hall until the weather warms up.

Now the sad bit! This my last Jenni’s jottings. After nearly 9 years it is time to hang up my typing fingers and let the Editorial Team take over with the February issue. I would like to thank you all, contributors, distributors and you dear reader!! I will still be here so please do say hello when you see me in the village or come and have a coffee in the café. Meanwhile Chris and I wish you a joyous Christmas and an excellent 2019.

Over and Out!! Jenni xxxx

The Annual General Meeting of the Branch was held on 13th November 2018 and was attended by 7 members. The main item on the agenda was the future of the Branch. As reported last month, the Branch now has insufficient active members to continue and it was decided to proceed with the proposal to amalgamate the Branch with Daventry and District and transfer all existing members to their membership list. Discussions will now be completed with the Daventry and County with a view to completing the change by the end of the year. Full details will be given in the next issue of the Parish magazine. In the meantime, the undersigned can answer any questions.

Proceeds from the Poppy collection are now being counted and the results will be reported next month. We would like to thank everyone who did the door to door collecting, particularly those who volunteered for the first time, and the businesses for their year round collecting. The Branch changes will not prevent collecting in the future as the present arrangements will be carried forward to next year.

Benefits and help available from the Legion are still available and if you have any difficulty accessing these please contact myself or Colin White or refer to the Legion website.

As chairman of The Friends of All Saints, I would like to thank everyone who helped to make our recent Arts and Crafts event such a resounding success – in spite of the weather. In particular, I must mention Kate Mawer and Odette Phipps, who worked tirelessly to ensure that everything went well. But also, the stallholders from far and wide, and the many people in the village who contributed, whether opening up their houses, garages and gardens to display their (and other people's) wares, or helping out with car parking, or assisting in so many other ways. And of course, all of you who came! We have had so many positive comments about how much there was to see and how much you enjoyed being able to take part in the various activities on offer.

As a result of your generosity, we raised almost £2,500 for The Friends of All Saints. Our funds are kept quite separate from anything to do with the ministry of the church or the general Parish Council funds and ensure that everyone, whether churchgoer or not, will be able to enjoy this fine building for many years to come. Please continue to give us your support and, if you are not already a member of The Friends, do please consider joining us. Membership is just £2 a month – that's less than seven pence a day. If everyone in the village made that tiny commitment, the future of our best-known landmark would be so much more secure. There is a membership application form on page 23 of this edition of the BVN. We look forward to welcoming you on board!

Yours sincerely

Pat Milner
Chairman

The first task party for October saw the volunteers on Thursday replacing the missing gate at the top of the steps at Bridge 90 (A45). Before this could be achieved a great deal of vegetation required removal including overhanging bushes and ivy that was encrusting the fence posts. With this out of the way and the steps cleaned of soil and encroaching weeds 7 of the crew set about preparing the fences for painting. Meanwhile Dave Weller and Cameron Philip got stuck into the secondary task of filling a pothole in the nearby towpath. Much to Cameron's amazement the hole swallowed 6 bags of concrete rubble, 2 bags of postcrete and a bag of type 1 stone. After a well needed coffee break the painting of the fence got underway while Dave applied his skills to fitting the gate with the help of two willing apprentices.

The 'Dirty Dozen' assaulted the towpath between locks 1 and 2 on the last Saturday of the month. The soil and grass were removed revealing the true width of the path at around 1 metre. In places this had been reduced to around 50%. By lunchtime this stretch had been completed along with painting the last three bollards below lock 2. Still keen to defy the weather the team continued towpath restoration through lock 2 and about half way to lock 3. A potential flower bed was also prepared at bridge 3. The rain came as they packed up and returned to base, mission accomplished.

Photos taken the following day, after the rain, clearly show the dips that need filling when they resurface the path at a later date.

(Sorry no room for photos this time due to double issue. Editor)

This month a donation of £250 was gratefully received from Daventry Canal Association. We were among a number of worthy causes that benefited from their redistribution of remaining funds pending the associations dissolution.
SOMETHING UNIQUE happens in the isolated, redundant and beautiful C13th church of St Peter in the ‘lost’ village of Wolfhampcote at 4 pm on the second Saturday in December of every year!

Some people come from all over the country to experience and take part in what has become a popular local tradition.

Villagers, dressed warmly and bearing candle lanterns, get together and entertain themselves in a pre-Christmas winter festival. The sight of this ancient church lit purely by hundreds of candles is quite breath-taking both to adults and children alike.

Carols and Christmas songs are interspersed by volunteers reciting either comic or serious poems, monologues and readings and sometimes by a solo instrumentalist.

This informal get-together on 8th December is a truly wonderful start to the Christmas festivities and if you have never attended you have missed out on something very rare and rather beautiful!

A Food Hamper Appeal for vulnerable young children this Christmas

Amongst the most vulnerable people in our community are children in deprived families, and especially children who become Carers due to the death or serious illness of a parent. Parent illness can lead to poverty and in some cases to a child caring both for a fragile parent and for younger siblings. Each November/December residents in Brindley Quays, Braunston carry out fundraising to provide Food Hampers for such families during the Christmas period. Most food hampers are distributed by pupil welfare officers at Daventry’s schools, but we also rely on local knowledge in Braunston to distribute hampers to local families. If you know of a family in Braunston that’s struggling to put wholesome food on the table for its children, please let us know. It doesn’t have to be a family with a young carer. We will consider any family with children that’s struggling.

We need help in identifying such families. Information can be passed to me, Robert Davey, by letter to 14 Brindley Quays, by phone to 01788 891 591, or by email to robert.davey@braunston.net All information will be kept confidential. We want to ensure that every family in Braunston with children experiences some joy this Christmas. If you would like to contribute to the Hamper Fund, donations can be sent to me at 14 Brindley Quays, Braunston.

One of the many wonderful things about
Greenhaven is that you can be buried
however you wish. We think burial is about
celebrating the life someone has had and
the things they enjoyed.

You can have the burial you want, but
at a fraction of the cost of a conventional
one. And for those left behind – a beautiful

Serving the Braunston community for generations
Looking ahead to 2019

As another year comes to an end in Jetty Field, we are focussing on our plans for 2019. We are all looking forward to implementing our plans for the new Nature Reserve. We will be publishing our document on the village website for everyone to see. We had a fantastic meeting recently with Michael Gunn, who provided us with a lot of much needed advice on how we maximise this area for wildlife and conservation. In fact, by the time you read this we would have planted 105 sapling trees into this area. These trees being a mixture of hawthorn, rowan, blackthorn, silver birch, hazel and common oak. All brilliant trees that support wildlife.

If you would like to help towards this wonderful site but are unable to give your time you can become a member of the Friends of Braunston Pocket Park. We only ask for a £10 donation yearly and this goes towards buying flowers and shrubs for the Pocket Park. Leaflets with all the details on can be found in Your Café and the village shop.

Our next Jetty Field meeting will be held on Wednesday 9th January in the library room in the village hall at 7.30pm. Please come along and join us if you can. At this meeting we will be planning our Spring work mornings for 2019 as well as continuing our discussions on the Nature Reserve. It will also be our 100th Jetty Field meeting so we will also be having cake to celebrate!

All that’s left for me to do is wish everyone a very merry Christmas and a wonderful New Year.
Look out for your extra recycling collection after Christmas and New Year

During the week beginning 7 January 2019, we will be carrying out an extra collection of your recycling bin on your usual day.

This extra collection isn’t advertised in the paper calendar we sent you in June, so don’t forget to put your blue-lidded bin out in the second week of January along with any other bins that are scheduled.

Waste and recycling collections will continue as normal except for those scheduled for Christmas Day and New Year’s Day (Tuesday homes) which will instead take place on 29 December and 5 January respectively.

Check your collections at www.daventrydc.gov.uk/recycling or download our FREE Daventry District Council mobile app from the Apple and Google Play stores.
