*May they rest in peace and rise in glory*

In which Collaboration between church and state starts to bear fruit.

You may recall that several months ago a slim young parish councillor and a portly middle aged vicar got together at the Rectory over mugs of repellent mud-flavoured coffee to share thoughts on what might make Braunston a better place to live in. In order to make progress and quite unable to do it under the depressing influence of the nasty coffee, Abigail and I took to meeting in a tea shop in Daventry. There, in that chintzy and fragrant location, we have laid and finessed historic plots and cunning plans. (Plotters room at Ashby St Ledgers eat your heart out- we're pretty darned sure that Guy Fawkes and comrades did not feast upon earl grey tea and caramel shortcake within your ancient walls!) So at long last, here is some good news for those living on the bus-forsaken hilly ramparts of Braunston; for those whose legs will no longer carry them about the village; for those who hate having to ask other people for lifts; for those who could visit friends or be much more involved in village life and events if they could only get from the front door to the shop or the church or the village hall or the pub. We think we have An Elegant Solution. Drumroll..... Introducing the Braunston Community Car, affectionately nicknamed The Braunston Ferry.

The middle-aged Honda (which has been kindly donated) will be for use in Braunston parish only. It will be driven by a team of volunteer drivers and for a flat rate (probably about 50p) you will be able to book it to pick you up from your house and take you to anywhere else in the parish- even a few hundred yards down your own road if that is what you need. If you are very good it will even take you home again! It will not compete with DACT in any way at all being purely intended for journeys within Braunston parish. It will be non profit-making but the small charge will cover fuel, maintenance and insurances We are not quite there. There are still a few details to iron out and we shall need enough volunteer drivers to ensure that the service is available when it is needed - if you think you might be able to offer a few hours a week please let me or Abigail know. The time you spend on this could be redeemed at the Braunston Timebank- another product of church/state collaboration which is being piloted over the next three months.

Abigail and I think that this has potential to make life more fun and sociable for lots of people in the village. We hope you agree. We would not want to have drunk all that beautiful tea for nothing.

Every blessing, Sarah

PS You may be relieved to read that there have been no further sightings of the Bad Evil Vicar (BEV) in the past month and that the Little Fishers and I have been getting along splendidly .

## **News from Jetty Fields.**

Summer seems to have arrived at last (at least at the time of writing!). Everything is looking wonderfully green and the new Lime trees in the avenue in the main field have taken well. We hope that villagers approve of the mown area at the bottom of the field. We are leaving the top part long so that the wild flowers can flourish. It is good to report that local people are commenting that there appears to be an improvement in the problem of dog fouling in public areas. We are very grateful for the effort being made by dog owners to clear up after their pets. A great number of people, in particular children, are using Jetty Field at this time of year and will enjoy the experience even more in a clean area.

We have a new volunteer to help in the work required to keep Jetty Fields as tidy as possible; he is Paul from Archer Avenue. Paul has already helped for a morning by clearing around new trees and undertaking other tasks. If anyone else would like to volunteer please ring and speak to Andrew - 01788 890826.

### **Braunston School Year Six visit to Jetty Field.**

As part of the "Gallie Wildlife Annual Competition." twenty nine year six pupils from our local school visited the Jetty Field to make a study of the five areas that make up the whole area. They were escorted by three of their staff and three volunteers who are involved in one way or another with Jetty Field. These volunteers were - Andrew Alsop, Alan Mawer and Chris. Burton. The pupils were first taken down to the large field area and spent 40 minutes studying its history, geographical aspects and past and present usage; this was led by Alan. For the remainder of the time the class was split into two groups and then given guided tours of the spinney, Pocket Park garden and the allotments by Chris. and Andrew. They were told about the trees and animals in the area and how the allotments are used by the village. On returning to the school the pupils were set a written challenge. There will be a special presentation of two prizes and a cup before the end of term. The entries will also be displayed in the village and the winning entries will also be published in the B.V.N.

The children showed great interest and asked some very good questions. The whole experience was very enjoyable for all concerned. The children's behaviour was excellent and they were all a credit to their school.

### **Work day at Jetty Field.**

After the success of the last work morning we are organising another one! We will be concentrating on the garden area so that it will look at its best for the Open Gardens on the Sunday. We need your help between 9.00 a.m. and 12.00 on SATURDAY 13TH JULY. Just meet in the garden; if you can bring some basic tools then so much the better! You will get a warm welcome from the other volunteers and your help will be greatly valued even if you can come for just an hour!

## **ROYAL BRITISH LEGION BRAUNSTON & DISTRICT BRANCH**

Dedication of the Bench placed in the Churchyard in memory of Jim Tennant took place on Sunday 2nd June.( see separate article in the BVN ).

The Branch stall at the Church fete on 19th June was well supported. Thanks to those who donated prizes. A sum of £120 was raised for Legion and Church funds.

Armed forces this year was held at Barby Church. The service was taken by Rev. Peter Beresford.

You are reminded of the visit to the Carpetbaggers Aviation Museum on Wednesday 17th July. The visit is arranged for 2.00 pm and transport will be by shared car. Anyone requiring further information please contact Tony Saunderson.

The July lunch will be in conjunction with the visit to the Museum at a venue yet to be decided

Our Branch membership and meeting attendances have been declining due to natural causes and ill health. We are still very much a viable organisation but have now reached the stage where we need new members to safeguard the future of the Branch.

As you are all well aware , the Legion does a very important job in supporting the welfare of members of the armed forces both past and present and their dependents. Recent conflicts in Iraq and Afghanistan have greatly increased demands on Legion resources and we need a strong membership to be able to continue to give help where required.

The Braunston Branch covers the villages of Braunston, Kilsby, Barby, Welton and Ashby St. Ledgers. Membership is open to all, including Ladies ( we have six Lady members at present). Membership does not necessitate attending the regular meetings each month as we have both active and non-active members. Anyone considering joining would be welcome at our next meeting or if you require a membership application form please contact Tony saunderson. There are many ex-servicemen in the village and we and we would particularly like to have more of them in our ranks.

The next meeting of the Branch is at The George Hotel Kilsby on Tuesday 9th July at 8.00 pm.

Submitted by Tony Saunderson -Tel. No. 01788 890797.

### **DAVENTRY HEALTH WALK SCHEME**

Help yourselves get fit by joining in our 30/40 min Health Walks around the village.

Walks in July will take place every Thursday departing from outside The Cake Slice Tearooms, in the High Street. at 2.15pm

All are welcome but please wear suitable footwear as some walks may be over fields.

One of the many wonderful things about Greenhaven is that you can be buried however you wish. We think burial is about celebrating the life someone has had and the things they enjoyed.

You can have the burial you want, but at a fraction of the cost of a conventional one. And for those left behind – a beautiful woodland sanctuary where life goes on and memories linger.

## **DICK HERNE BRAUNSTON HISTORY SOCIETY**

We now have a full programme for the rest of this year and even into the beginning of next year! We try to choose from a broad range of historical topics so that we attract as many people as possible to our meetings and outings. We meet on every third Tuesday of the month at 7.30 p.m. at the village hall. ( No meetings in July or August). We are pleased to report an increase in membership this year and welcome anybody who would also like to join us! Please contact our treasurer, David Walters, (891183.) or our secretary, Annie Rogers, (891179.) if you want details of our programme or if you would like to join. Our first meeting after the summer break will be on Tuesday, 17th September and will be an "Open Archive" evening. This is a chance for members to access our archives and find out more about the village. If you have any suggestions for a talk or visit then contact one of the committee!

### **Northants Disability and a Help for Heroes XI on Friday 19th July @ 6.30pm**

Northants Cricket is delighted to announce that the County Ground will host a Floodlit Twenty20 match between Northants Disability and a Help for Heroes XI on Friday 19th July.

The match will be the first of its kind to be held at the County Ground, and will act as a flagship event for the County's ambitions to become the East Midlands centre for disability Cricket.

The match will see the County's disability team take on a select XI of former armed services personnel who will represent the Help for Heroes charity - all proceeds from the match will be donated to Help for Heroes.

Northants Disability Head Coach Andy Hill said of the match, "It's a great pleasure to be able to welcome the Help for Heroes team and representatives to the County Ground. To be able to play a floodlit game on your home ground at a First Class County venue is a massive honour, and one that our disabled players are relishing. For this opportunity I can only thank David Smith and the County Board for showing immense support for not only the Disabled team, but also for Disability cricket in general."

Katie Wilson from Help for Heroes said of the match, "We at Help for Heroes are absolutely delighted that Northants Cricket has chosen to support us and organise a charity match featuring their disability team and allowing us to field a team of our wounded, injured and sick. It's a great opportunity to showcase what can be achieved and promises to be great fun"

Northants Cricket Chief Executive David Smith added, "We are delighted to support this match and our disability cricket pathway, as it plays a key part of our strategy to improve our standing within the local community."

Tickets will be available soon, and for further event information, please visit [northantscricket.com](http://northantscricket.com) or call 01604 514455.

## BRAUNSTON PARCELS

My thanks to everyone who continue to donate to 'the box'. 1257 parcels have now been sent to a section of our troops serving in Afghanistan. Thank You!!

Recently, I received a letter from the Officer Commanding of our current recipients and would like to quote from his letter:-

"Thank you very much for your kind parcels - what a generous village. It is always a morale boost to receive parcels, especially when so much thought has gone into the contents. We also enjoyed reading the Parish Magazine. We have been very busy since arriving in theatre, the 'fighting season' for the insurgents is in full swing" Such remarks really make our efforts worthwhile.

Once again, thank you for your continued support and generosity.

## SCOUT RAFT RACE

Winners! People shouting on the shore banks. 2nd Braunston won the 2013 Daventry District Raft Race. In the first heat we faced: Long Buckby, 2nd Daventry B. That race we won by miles but... In the final we were against 2nd Daventry A & we only beat them by a boat and a half. The final was very close but 2nd Braunston just managed to pull it off.

The race rules require that we make the rafts from scratch without leader's assistance. We square lashed the frame together then used a pulley technique to fix the barrels in.

In the first race we took a long time to get into our stroke. as a result of this we ended up off course but managed to pull it together to victory. In the final 2nd Braunston & 2nd Daventry A were neck and neck until the last leg where 2nd Braunston sped up and took the winners trophy back to the den for the 3rd year running.

## Community Events

Thank you to everyone who came to Dog Day. Long Buckby Parish Council has enquired about running a similar event. It's possible that this model – a community event which addresses a local issue or interest, but also provides an opportunity for people to get together informally and talk - might work for other local concerns. I've a few ideas bubbling away but if you have any suggestions do let me know.

## Timebank: getting things done...

Over 30 people have joined the Braunston Timebank project so far. Our aim is to make the Timebank work for individuals but also for groups and events across the village. The next meeting is Tuesday 2 July at 7.30pm in the Old Library of the Village Hall and all are welcome. Email [braunstontimebank@gmail.com](mailto:braunstontimebank@gmail.com) for more information.

## Community Tent

Braunston has a Capri tent available for hire. Get in touch with Steve Rolt of Braunston Scouts if you're interested.

## Next surgery

Saturday 13 July 5pm

Walking surgery with PCSO Thompson. See map of our route on village noticeboards.

## **BRAUNSTON CANAL SOCIETY**

We feel it only fair to dedicate our space this month to The No2 Braunston Scout Group. The week commencing June 3rd was their "Helping in the Community Week" and having got the permission from the Canals and Rivers Trust, Steve Rolt and I planned a three evening work party at The Braunston Stop House Gardens. This allowed their four different sections to have their own time carrying out gardening and painting. This involved 6 year olds up to 18 year olds, any fear I had about misbehaving or lack of interest were dispelled by the first group to help us which was the youngest Beavers. Without exception all persons were, polite listened to instructions, and then got on with the work. We had a total in excess of 70 people over the 3 evenings who contributed over 140 hrs of work, if you walk through the gardens now, all the woodwork is newly painted and the borders are planted and tidied. There is still more to do, but what a difference the Scout Group have made. Braunston should be proud of these young ambassadors and their leaders and what they achieved. They are more than welcome to join us again. Thanks to Avril at Gongoozler who continues to help us and provided cold drinks on the 3 evenings. Their efforts have come to the notice of Canals and Rivers Trust at the highest level, they already do a lot of educational work with the younger generation. The Scouts have now proved that they are more than capable of working as well as learning. Our apologies to the parents who are still trying to remove our black paint, both Steve and I did warn you!

## **VILLAGE WEEKEND**

It is with much sadness and disappointment that I must announce that the Braunston Village Weekend will not be going ahead in 2013. As you know from my reports earlier in the year, we were always at the mercy of raising the required funds. This has unfortunately, been a challenge too far. Despite some great efforts by the committee and others, we have not managed to secure the main sponsorship we require in order to host the event. As for the future.....who knows?? It all comes down to money and the time to go and find it. This is a big task and with increasingly busy lives, it is very hard for most of us to find the time. The committee and I will meet to discuss the possibilities of the event next year and will report back. In the meantime, as always, if anyone knows of a pot of gold or would like to go looking, please do get in touch! I would like to thank everyone who helped organise and attended both the Christmas Market and the Music Quiz earlier in the year to raise funds for the event. These funds obviously remain unused and have not been forgotten. A decision will also need to be made on how that money is used if not kept for next year. A big thank you also to the people of Braunston who have kept asking me about the event and who have kept positive about the outcome of 2013. Thank you.

## **Parish Council - Neighbourhood Development Plan**

On 4th June the council hosted a presentation on Neighbourhood Planning given by Bob Keith of DDC. 15 parishioners who had volunteered to help with the process attended. Bob outlined the statutory process set out by the government. He explained that the outcome of a Neighbourhood Development Plan is that it will shape and influence development in the area it covers. There must be an evidence base for the policies and proposals included in it. Please ring 01788 890340 if you would like a copy of the presentation Bob gave.

The neighbourhood survey carried out earlier this year by the Parish Council included some questions about travel. 90% of respondents use private transport; 14% of these share a car with someone outside their household, 11% indicated that they would be interested in participating in a community car share scheme. The Parish Council supports the Community Car Scheme being set up by Rev Sarah and Councillor Abigail Campbell. For a village Braunston has a good bus service but there are journeys that only a community car can provide.

In addition to using the neighbourhood survey the Parish Council will also be referring to the data published as a result of the National Census in preparing the Neighbourhood Plan. This shows that in 2011 the proportion of households in Braunston with at least one car or van (88.8%) is higher than the national average (74.2%). To put it another way the number of households without a car is half the national average. In 2011 there were a total of 1190 cars and vans in the parish. Despite this 67% of respondents to our survey use public transport either regularly or occasionally. 183 respondents reported having a concessionary bus pass.

Information from the 2011 National Census is provided by the Office for National Statistics and reproduced from the Neighbourhood Statistics website under the terms of the Open Government Licence which can be viewed at: <http://www.nationalarchives.gov.uk/doc/open-government-licence/open-government-licence.htm>

### **BRAUNSTON VILLAGE STORES**

Hello, my name is Jay Odedra and I have taken over Braunston Village Stores from Wayne & Angela. Many of you may have met me in the Barby shop over the last four years.

My intention is to provide a good efficient service to the community.

With the community in mind I would like to introduce Home Delivery for elderly people. There will be a minimum spend of £15 and deliveries will be made around 3pm Monday to Friday and 1pm at weekends.

Ask in store for more details if you are interested in this service.

### **JIM TENNANT 1/4/35 - 10/8/2012**

After the 11.00am service on Sunday, June 2nd, Rev'd Sarah dedicated a new bench adjacent to the War Memorial in memory of Jim Tennant in appreciation of his work on behalf of others over many years. The bench was donated by the Braunston Branch of the Royal British Legion and all the work was carried out by a group of its members and was "master minded" by Jack Edwards - our Standard Bearer. The ceremony took place in the

presence of Jim's wife Judy, elder son Robert, RBL colleagues, representatives of the Parish Council and many friends.

Jim was born in Glasgow, educated at Dollar Academy and went on to study Geology at Glasgow University. His studies were interrupted by National Service in 1955 which took him into the Royal Artillery - most of his time being spent in Cyprus during the Greek Cypriot troubles.

In the meantime his future wife Judy had spent her early life at Bishops Stortford and her calling took her into nursing and operating theatres in various London hospitals, and later her work would take her to Brazil.

During this time Jim, having completed his National Service and University studies had joined B.A.T. in 1959 and also soon found himself in Brazil representing the Company and this is where Judy and Jim's paths met and they subsequently came home to Bishops Stortford to be married before returning to Brazil in 1963.

Jim soon progressed through the senior management structure looking after various projects in various countries and eventually became a managing director and during the next 22 years his work took them to Angola, Sri Lanka, Nicaragua, Trinidad & Tobago and finally to Nigeria from where he

took early retirement.

Back in the late 1960's Judy's family had moved to Braunston in Cross Lane, so Jim and Judy who needed a base when they came home on leave, decided in 1971 to buy the old "Dog and Gun" pub which reverted to its earlier name "The Maltings" - so this is where they settled in 1985.

After they settled into the village Jim progressively became involved and eventually became very active as a member of the Royal British Legion, the Parish Council and the Village Hall Committee, and was instrumental in helping drive through the work involved with the restoration of the Village Hall roof.

Jim became increasingly involved with the Royal British Legion at Branch, Group and even County levels performing as secretary and chairman of The Branch at various times, and Deputy Chairman of the County Group Tour Committee, and even when Jim and Judy moved to Flore and later to Newnham, his work with the RBL continued undiminished until shortly before he died last August.

We will always remember Jim for being so willing, caring and generous with this "time and talents" and Judy for her unstinting support.

## **Neighbourhood Watch**

My name is Julie Jarrett and I have lived in Braunston now for 20 years and love it!

I have been the Neighbourhood Watch Co-ordinator for 3 years now and have done some very good work in the village, with help from our PCSO, Kein Thompson and our Parish Councillor. Abigail Campbell.

Some people may say what is Neighbourhood Watch all about? It is there to cut down crime and to look out for the public. We look after the people in our community and organize Watch meetings for newcomers. If you would like to help, all you need is a telephone or internet service. You don't have to be at home all the time and you don't need to put yourself at risk. You don't have to give up all of your time. People who live in a Neighbourhood Watch area are less likely to become victims of crime.

We have noticed that most of the dog signs have been taken down. We would appreciate it if they are left in place - they are there for a purpose.

If you would like any more information, please contact me on 01788 899162 or 07952858418

Thanks

Julie Jarrett - Neighbourhood Watch Co-ordinator.
