On being tested

It's a testing time. If you know a year
six child facings the dreaded SATs this
month, or have, as I do, teenagers
sitting GCSE or A' Levels, then you will know what it really means to be tested.
Believe me, it isn't only the youngsters who suffer from exam pressure!
Watching them revising in ten minute bursts with the television on, listening to
music and keeping an eye on their mobile 'phones while eating prodigious
amounts of rubbish is deeply stressful for those of us who know in our bones
that revision is best done locked for hours in a hushed library and that fish,
rather than Harribo and Monster Munch, is what feeds the brain! The dutiful
parental compulsion to point this out is very hard to resist but wins you no
points in a popularity contest and is scornfully received as "nagging". Pointing
out that "nagging is merely the repetition of unpalatable truths" does not help. I
know, believe me. Anyway if I have just described your household then all I
can say is "Good Luck" and pray for your offspring, in the nicest possible
way, that all will go well for them, that their weird revision habits work out and
that they will get the results they deserve!
Yet it's a testing time in more ways than one. Revision and technology are just
symptoms. It seems that we live in singular times and that the moral, attitudinal
and social frameworks in our society are changing faster than has ever been
the case- and mostly not for the better. Our children and grandchildren face
temptations, dilemmas and perils that were unimaginable even ten years ago.
It is right that society should be fair and tolerant but is it right that our children
now need to make sense of relationships and sexuality in light of gender
switching as a lifestyle choice as per Eurovision? How do you know what is
really right and wrong if everyone's opinion is equally valid? What happens
when Christian values are allowed to be overwhelmed by far less loving
creeds? These are testing times indeed for decent people with traditional
values and a real test of the Church which will continue to try to be a
watchman on society's walls to warn of danger and to promote a Kingdom that
is better than anything on offer at the moment.
I know that some of you will interpret this as monstrous evidence of the so-
called bigotry of the church. I'm sorry if you see it that way because diagnosis
of sickness in any body- be it an individual or society is generally helpful,
even if it is not what we want to hear. So judge for yourself. Look around.
Read the signs. Decide if you think society is good and if not, what we need to
do about it. Repentance might be a reasonable place to begin.
Because whilst our children will get the exam results they deserve, they do not
deserve the mess we are leaving them in.
Yes I know. Nagging. We all know what that is.
Best wishes as ever, Sarah

NEWS FROM JETTY FIELD.

With all the rain and very mild weather everything has grown very fast and the whole area of the Pocket Park is looking very beautiful. We have continued to work hard and the garden area has been tidied, new shrubs and trees have been planted. The seeds, provided through financial assistance from the Parish Council, are growing thanks to the volunteers who have agreed to look after them so we can put them in as healthy plants. Mowing has started and we are trying to manage the large field so that the idea of a meadow is maintained. The trees in the wooded areas have been inspected by a local specialist company and remedial action to make them safe has been undertaken. Two of the Lombardy poplars still need attention; one will have to be felled and another reduced in height to make them safe. The "kissing gate" has been ordered and will be put in place over the next few weeks. The new gate will ensure that wheel chairs and pushchairs will have easier access to the main field. Thank you Peter for organising this!

Work Morning. We would welcome YOUR help on SATURDAY, 5TH JULY FROM 9.00 TO 12.00. Just come along and we will be glad to involve you in the work we have planned to improve and maintain this fabulous village amenity. More information is available on our notice board just off the green at the beginning of the path down to Jetty Field.

THE DICK HERNE BRAUNSTON HISTORY SOCIETY.

The new society year has started well. Our Annual General Meeting was very successful and membership continues to grow. If you would like to become a member or to find out more then come along to our next meeting on Tuesday 17th June at 7.30 p.m. in our village hall. David Fennell, a retired Track Chargeman of British Rail, will give a short talk on "Kilsby Tunnel, past and present." David has a great knowledge of our local railway system and he is a valued member of our society. We have a very interesting programme planned for the coming twelve months - do come along and see what we have to offer YOU!

One of the many wonderful things about Greenhaven is that you can be buried however you wish. We think burial is about celebrating the life someone has had and the things they enjoyed.

You can have the burial you want, but at a fraction of the cost of a conventional one. And for those left behind – a beautiful woodland sanctuary where life goes on and memories linger.

BRAUNSTON PARCELS

1,370 parcels have now been sent to our troops serving overseas since April 2007. With the exception of 21 the remainder of our parcels have been sent to our serving personnel operating in Afghanistan. A huge thank you goes to every single person who has and who continues to donate to "the box".

The current recipients of our parcels are members of the WARTHOG GROUP of the 9th/12th ROYAL LANCERS and they have received 52 parcels and they are nearing the end of their deployment.

Thank you to everyone for your continued support.

LOTTERY WIN

It's official!

The long-awaited grant needed to save the village church has finally been APPROVED by English heritage.

It means a massive boost of almost £180,000 to the fund-raising efforts of the Friends of All Saints. The money will come from the Heritage Lottery Fund and means that more than half of the total cost of the restoration work is now guaranteed.

The news came in an official letter from English Heritage to Charles Dunn, who has been leading the negotiations with them on behalf of the Friends of All Saints and the PCC. It ends months of anxious waiting following rejection of an earlier application.

As part of the bid for funds, the church has undertaken to develop a range of community-based activities designed to appeal to those who do not necessarily attend church services.

Several projects are already planned to honour this pledge. So, while detailed investigations are carried out by surveyors on the fabric of the church, others will be carrying out detailed investigations of the church's history and architectural records to update and improve the Discovery and Heritage Trail leaflets already in the church.

In addition, a 360 degree video of the church's interior is proposed and material is being gathered to develop tours of the building and lecture material. Events centred on the building are also being planned, including a major arts and crafts festival. Volunteers able to help with any of these ventures will be warmly welcomed.

So far as the restoration of the building is concerned, it's expected that the project development phase will be completed over the next few months at an initial cost of some £25,000. The architect will then be able to draw up detailed specifications and the work can be put out to tender. All being well, the vital repairs will then begin in earnest next year.
The Royal British Legion - Braunston & District

Armed Forces Day Church Service this year will be held at Kilsby Parish Church on Saturday 28th June at 10.30 am. Will all members of the Legion parade at the church by 10.15 am.

The Parish Council have informed us that financing of the work necessary to maintain and clean the war memorial has been arranged and it is hoped that work will commence shortly.

You are reminded of the visit to RAF Museum at Cosford on Wednesday 25th June. There is still limited space available on the DACT minibus. Cost is £12, with entrance to the museum being free. In view of this visit there will not be a monthly luncheon in June.

A short service took place at Welton cemetery on 23rd April to dedicate a Rowan tree planted in memory of Fred Warne who died in January last year.

The Legion will have a stall at Brauston fete being held on Saturday 7th June. Your support will be welcomed.

The next meeting of the Branch will take place at The George Kilsby at 7.30 pm on Tuesday 10th June.

DAY STAR THEATRE GROUP
HISTORIC BOATS WEEKEND.----- "A Bad Penny!"

Yet another fabulous play on THURSDAY 26TH JUNE 8.00P.M. in the beer tent Braunston Marina by the Daystar Theatre Company. This year they have written a completely new play for our delight; it is called "A Bad Penny" and is set in 1964. The evening is always a sell out so book your tickets early! It is sponsored by Braunston Marina and all the proceeds are very generously donated to The Friends of All Saints' Braunston Church Restoration Appeal. Tickets are £10 each for ordinary seats and £20 for special seats in the first three rows (this includes a glass of fizz!). There is, of course, a bar before and after the play! Tickets available NOW from the marina, the church (after services), Braunston Post Office, The Cake Slice and Charisma Hair Salon. Do come along and enjoy excellent entertainment and, at the same time, support the restoration appeal!! LOOK OUT FOR THE COLOURFUL POSTERS AROUND THE VILLAGE AND IN THE LOCAL PRESS.
New Housing Drop-in Event
9 July 2014

Daventry District Council's recent housing needs surveys of Braunston showed a need for up to 11 new affordable (ie rented or shared ownership properties below market price) homes in the village.

Braunston Parish Council's neighbourhood planning survey also demonstrated demand for some market-sale housing, for older people to downsize and for first-time buyers.

To find out more about your housing needs, the Parish Council, District Council and Northants Rural Housing Association are holding a drop-in event:

Braunston Village Hall
Wednesday 9 July 2014 3.30pm to 7.30pm

We would also like your views on a specific proposal by Northants Rural Housing Association for a small development of affordable and market-sale housing off Maple Close. Any development will only be considered further if there is sufficient demand. New homes would be offered first to local people - those who currently live in or have previously lived in the village; those who have a close relative in the village; and/or those who are employed in the village.

Please come along to share your views and find out more. This is an informal drop-in – children are welcome!
Bakers kneaded!

Are you a bread-maker or a cake baker?

Do you want to be part of the latest village foodie ‘pop-up’?

We know from the recent Neighbourhood Plan survey that lots of people in Braunston would love to get their hands on local produce - particularly home-baked bread and cakes.

We are planning to test out just how popular such a sale would be, by holding the first 'Braunston Bakes' bread and cake sale on 21 June.

And, of course, to do that we need bakers … so if you would like to make and bake bread or cakes to sell please contact us straight away

You don't have to be a professional baker, but if you know your way round a mixing bowl and already turn out tasty bakes for family and friends, we knead YOU!

REFLEXOLOGY

I am training to become a reflexologist and am seeking Braunston residents to become case studies, which entails four sessions each approx. an hour long, arranged at mutual convenience. Also seeking one off clients. I am quite mobile; and prepared to come to you; there is no charge for transport, but if travelling over three miles from Braunston, I would appreciate a small contribution towards petrol. Please call me on 01788 890717 or 07794436490.

BRAUNSTON CANAL SOCIETY

May has seen us able to restart our painting, we were pleased to get some assistance from the Volunteer Lockies and hope that this is to become a permanent feature of this year. We need a few more hours to complete Lock 2. The IWA Northampton Branch held their Annual Gathering at Braunston for the first time this year. We were pleased to be invited to join them and to provide assistance where possible. The event was blessed with fine weather and appeared to be enjoyed by all the visitors. I promise my guided walk will be more professional next time.

The Stop House wild flower project continues to provide pleasant surprises. Brian Laney, who records all sorts of plant and wildlife in Northants, visited us recently and recorded over 50 different wild flowers already established in the area. These do not include the varieties introduced recently by us. The area is already showing the results of our work and is drawing many positive comments from both visitors and CRT.

June will see us again providing the Marina with Stewards for the Historic Boat Gathering. We are always pleased to get involved in working with other local businesses and groups.

We are Looking For New Players
all ages and abilities welcome

We are a friendly club that plays Wednesday evenings and two Saturday teams.

With players in their teens, who play along side their Dads, through to retirees we are mixed group from the village and surrounding area.

There is no club joining fee and no expectation to play every week. We enjoy our cricket, catching up afterwards and play when we can fit it in or when fit! That's all we would ask of anyone new.

NEIGHBOURHOOD WATCH
Hi all, Julie from NHW here. I hope you are all enjoying the nice weather. There is always a lot going on at this time of year - people going away, going shopping etc. Always remember to look at your home security to protect you and your property. When you are out and about keep your front and back doors locked. Keep car keys and any other keys out of sight and out of reach from cat flaps, letter boxes, doors and windows. When going out in the evening leave a light on and draw the curtains. If you have an outside light, turn that on and make sure it is visible from the street. Please ensure that no valuables including laptops, satnavs etc are left in view in your vehicle and always lock your vehicle even if it is on the drive. Don't give criminals AN INVITATION to steal from you.
Thank you

The Old Library Many a village meeting is held in a room known as The Old Library in the Village Hall. Sometimes it feels like my second home... It was once an active library, with its own librarian – many of you will remember using it. Now the books are gathering dust and the room has a rather unloved feel. Timebank members have offered to revamp it, removing some of the books and shelving, refreshing the book supply and opening the room as a drop-in community café and lending library once a week. If you’re interested in helping with this project please do get in touch.

Annual Parish Meeting The Annual Parish Meeting was held for the first time on a Saturday morning this year. The formal reports were published in a booklet and on the village website, rather than read out one after the other. Village groups were invited to have a stall to promote their work. And what a difference it made. Many people came, good debates took place, conversations between people of all ages were enjoyed over tea and biscuits. The Parish Council is keen to repeat this format in future years. Thanks to all who took part.

Culture summit The creative industries bring £8m an hour into the UK and account for 5.6% of all jobs. But investment and participation in the arts is low across the East Midlands region. I’m helping to develop a Culture Summit in Daventry in September to bring together artists and arts organisations from across the district to look at how we can lever in greater investment and support. If you’re an artist or work in the arts in the district, or know someone who does, please let me know.

Street surgery I have a street surgery with PCSO Kev Thompson outside the village shop at 3.30 on Friday 4 July.

County Councillor The County Councillor for Braunston and Crick, Steve Slatter, has resigned. A by-election will be held in July.

Best wishes, Abigail

The Big Renovate/DIY SOS!
No, Nick Knowles and his team aren't coming to town, but Braunston Timebankers are soon to be let loose on the Library in the village hall.

Plans are afoot to update and refresh to room used as a Library in order to make it brighter, more welcoming and flexible in its appearance and function. The group responsible for decisions about the Village Hall are also considering its possible use as a Community Cafe, so it needs a band of willing helpers.

Braunston Timebank have offered to clear, carry out minor repairs and redecorate the room. We would warmly welcome some additional help, particularly from people with Project Management and Planning skills; we'd also like to hear from budding (or existing!) interior designers, to help us make a success of this exciting project.

Please get in touch if you want to volunteer your time to help us - for every hour you give, you get one back.

Braunston Walkers Saturday 17.05.14 - Aynho Deddington (10.5 miles)

An unusual twist this month is that we never got to Deddington. Despite trying it had proved impossible to link the two places without much dreary road walking. We had a rethink as that is what recces are for and it morphed into a fantastic walk thanks to Philip’s last day recce and path clearance efforts. So renamed as The Cherwell Valley and Aynho walk we set off. It was the hottest day of the year at 74 degrees Fahrenheit not centigrade! Thirteen of us (including three members of the Braunston Walkers crack quiz squad) drove down to Souldern, a delightful cotswoldesque village a bit south east of Banbury. We set off along the main street and turned left along a small road that eventually petered out into a Rose Campion and stinging nettle lined footpath to cross fields and then cross the M40 and walk along the ridge with distant views of a magnificent rail viaduct, still very much in use, and the ever elusive Deddington over the valley. Fantastic views from this lofty position. The path continued through some very long grass which had been battered flat by our leader before we arrived at another sleepy village, Somerton which like Braunston has the Oxford Canal passing by. After crossing the canal we followed the road to reach the mighty River Cherwell which rises near Charwelton and flows gently down to reach the Thames. Some youngsters were frolicking in the cool water of the river as it was by now the hottest part of the day with not a single cloud in the sky. We crossed the river and water meadows passing the old mill house and then climbed to reach a footpath off right which would eventually cross Bowman’s Bridge and then a mile or so to Clifton and the Duke of Cumberland’s Arms our much welcome lunch stop. A lovely old pub where the food and beer and service was superb. With foaming pints of Doombar and magnificent baguettes we were soon content and ready for the homeward push. Leaving the old pub we dropped down the road to cross the river on the County Bridge, the border of Oxfordshire and Northamptonshire, where a couple of horses were wallowing in the water cooling their hooves. I would have liked to join them but could not face the faff of removing and then putting boots back on. The path went off the road and over water meadows which the week before had been a collection of small lakes but was now just a muddy damp stain. After crossing the canal and passing Wharf Farm we turned left on a field path and passed under the M40 by the river and along fields of sprouting wheat to reach a beautiful ford at Souldern Mill. For those that had been on our Norfolk Walk this was a reminder of the fords on the River Nar walk near Castle Acre. We then continued uphill alongside the estate wall of Aynho park and up into Aynho itself where we paused in the hot sun to admire the imposing old 17th century manor house with its gardens designed by Capability Brown who was a very busy boy at the time. We walked along the old village passing the 17th century grammar school and turned right down a forested track and under a cool tunnel then out over fields to the cars at Souldern and home for a refreshing and welcome cuppa. A great walk and the Walkers quiz team and their spouses achieved a gallant 4th out of 100 teams (Oh alright, 11 teams) at the village quiz in the evening! Superb.

On 21st June we are walking 10 miles or so near Moreton in the Marsh a Cotswold Classic.

Fastest animal in Braunston

Local environmental writer PETER FROST welcomes a new visitor to our village. The fastest creature in all the natural world has come to live in Braunston. The Peregrine Falcon, now resident on the village church, is the fastest mover in the entire animal kingdom, with an almost unbelievable officially timed flying speed of 242 mph. (389 km/h).

Just for comparison the fastest land animal is the Cheetah which has a recorded speed of between 60 and 75 mph (96-120 km/h) in short bursts.

As those who have seen it on and around All Saints’ will know the peregrine is a large, handsome and powerful bird of prey. It has long, broad, pointed wings and quite a short tail.

When at rest it shows its blue-grey plumage. Its head has a distinctive black cap and a black moustache on its otherwise white face. It sports a finely spotted waistcoat.

On the wing it is fast and agile, darting after prey birds in the air or on the ground. It is in these killer stoops that it reaches its incredible speeds. It can take surprisingly large birds, crow or pigeon size. Indeed in the USA it is known as the duck falcon because it kills mainly water fowl. Kills can be messy with plenty of bloodstained feathers to mark the scene of crime.

Over the years peregrines have suffered illegal killing from gamekeepers and landowners, and been a target for egg collectors, but tougher legal protection and less pesticides in their food-chain have seen numbers recover considerably from an all time low in the 1960s.

Peregrine falcons have been moving south and changing their nesting habits. They previously made their homes in natural cliffs and rocky outcrops. Now they have learnt to adopt the man made cliffs, nesting on buildings like Westminster Abbey, Tate Modern and, even, on the other side of the Atlantic, the Empire State Building.

Archer’s script writers installed the falcon on the tower of Ambridge’s St Stephens church and now we have our own pair to grace the Cathedral of the Cut.

A local secret story.

Favourite food of the peregrine is the pigeon. Indeed much of the persecution of this falcon over the years has come from the world of pigeon fanciers, understandably angry at the falcon snacking on their champion racing birds.

During wartime the army officially waged war on peregrines because they disrupted carrier pigeon posts, and there is a fascinating local connection here.

The woman credited with developing the top secret carrier pigeon service used by our undercover agents in occupied Europe was the wife of our local (Daventry) MP. She was Mary Manningham-Buller (Viscountess Dilhorne) and her trained carrier pigeons were parachuted in tiny wicker baskets all over France and Germany.

One of her pigeons returned to Bletchley Park - the famous Enigma Station - with the first reports of Hitler’s top secret V-2 rocket project strapped to its leg.

The heroic bird avoided enemy fire and the marauding falcons and delivered its message, winning a Dicken medal - the animal VC - in the act.

Amazingly, espionage became the Manningham-Buller family business. Mary’s daughter Eliza became head of British Intelligence (MI5) between 2002 and 2007.

Eliza revealed the previously untold top secret story of her mother’s war work with pigeons, on Radio Four’s Desert Island Discs.
Well all you Braunstonites seem to have been afflicted with verbal Diarrhoea this month! You may have noticed that the magazine has 'grown'. We are now up to 40 pages and I still had to get my shoehorn out again. I must apologise to some of you who have kindly submitted articles but who feel rather squashed. I was inundated with things for the magazine during the last few days before cut off. Please, if at all possible could you get your articles etc in to me as soon as possible? Those of you who haven't heard about the Peregrine Falcons may have been wondering why groups of people seem to spend a lot of time gazing at the Church steeple. I am reliably informed that the famous couple have nested and have produced eggs. Please read Frosty's very interesting article on the facing page.

Those who weren't gazing at the steeple were probably anxiously walking up and down the path over the Marina to see if Mr & Mrs Sid Swan managed to nest. Not only did they nest but they laid 5 eggs, one was rejected but the remaining 4 hatched out couple of weeks ago. Sadly one baby died but now the Sid family can be seen gliding up and down the canal.

What great news about the Friends of All Saint's successful lottery bid to restore the Church. Many congratulations on all who worked so hard to obtain this grant. See page 14.

Finally I wonder if any one would like to go on my 'emergency' BVN distributors list? None of the rounds are very long and you wouldn't be called on very often. If you can help please let me know. Meanwhile, enjoy all the events happening in June.

See you next month.

ALL SAINTS’ CHURCH BRAUNSTON ARTS AND CRAFTS WEEKEND.
SATURDAY 16TH AND SUNDAY 17TH AUGUST.

Since the announcement in last month’s BVN we have received a tremendous response. We are looking for anyone living in the village who would like to display their art or craft work at this special weekend. We welcome applications from all age groups from the very young upwards! We are trying to encourage local people to celebrate their talents for the benefit of the whole village in the wonderful setting of our iconic church building. There is no cost for displaying your work. We ask for 10% of your takings if you intend to sell items during the weekend.

We are also looking for volunteers to help set up and run this exciting event. If you want to find out more or register your name to book a place then ring Andrew Alsop 01788 890826 or email him at thealsops@chibley.co.uk.

There will be refreshments available on both days and you will be entertained by our Community choir and other musical recitals. You will also be able to see the progress we have made with our restoration appeal and view the dramatic Timeline history of our village.

INTERESTED? COME ALONG TO A SPECIAL MEETING FOR VOLUNTEERS AND CONTRIBUTORS ON WEDNESDAY 18TH JUNE AT 7.00 P.M. IN ALL SAINTS’ CHURCH. THERE WILL BE REFRESHMENTS AND A WARM WELCOME!

BRAUNSTON SHORT MAT INDOOR BOWLS CLUB

At the recent A.G.M. It was announced that the Annual Knockout Competition was won by Annie Rogers and the Accuracy Competition to Gill Powell.

Congratulations were extended to Laura & Eric Kibblewhite for their Diamond Wedding Anniversary.

Condolences were expressed on the loss of stalwart member Charles Kendall.

The club plays in the Village Hall each Thursday afternoon from 1-45pm to 4pm. We are a friendly group who meet to socialise and to have a pleasant afternoon of activity and fun.

We are now actively encouraging new members.

DO COME AND GIVE BOWLS A TRY

There is no age limit and no special equipment required as woods are available for use. You are just asked to wear soft flat-soled shoes.

The present club members are waiting to meet and welcome you.

Braunston Village Gardens
Association

SATURDAY 5TH JULY 2014
Visit to the Royal National Rose Society's
GARDENS OF THE ROSE, St Albans, Hertfordshire

This visit is open to anyone who would like to visit these gardens.
The coach will leave Braunston Village Hall at 9.30am to arrive for
11am.
We expect to return to Braunston between 4.30 and 5.00pm.
The cost will be £6 for entry and £16 for transport. Total cost £22.
Facilities available at the Gardens of the Rose include
- Tea Room, offering a selection of freshly made sandwiches, cold
drinks, gateaux, hot beverages and cream teas
- Toilet facilities available that include disabled access and baby
changing
- Small nursery shop

The Gardens of the Rose offer five acres of stunning displays of tens of
thousands of roses, both traditional and contemporary, complemented by a
huge selection of companion plants.

The Gardens of the Rose underwent a complete refurbishment in 2006 with
the initial assistance of garden designer Michael Balston and more recently
with Hampton Court Palace Flower Show Gold Medal winner Julian Tatlock
Landscape & Garden Design. New roses, herbaceous perennials, spring
bulbs, shrubs and water features set amid contrasting lawns and paths now
provide substantial interest. The Gardens of the Rose show the very best
that the rose world has to offer but, as with any garden, they are continually
evolving.
