

Braunston Village News

Issue No: 394

May 2005

Published jointly by All Saints' Church and the Braunston Parish Council

Jetty Field

The Management Committee is up and walking and would welcome any comments or suggestions. It is an exciting challenge but we have a clear brief to provide for quiet enjoyment of this open space for all residents and visitors. We will let you know how we propose to carry out our mission; please let us know how we are doing.

A warm thank you to four villagers who have volunteered to help with maintenance in the park. There is clearly much to do but we would ask that anyone who wishes to do any work in the park, however small, should contact us first. We need to make sure that we protect you with the Parish insurance.

Would anyone who might be interested in taking an allotment in the village to grow their own fruit and vegetables please get in touch? This is a possibility that we should keep in mind if there is a need.

Give Pat Herlihy a ring on 890590, or have a word with any member of the Parish council.

Walk the park!

A lighter diet for Summer...

An evening service of prayer, with opportunity for quiet and reflection will run on

June 5th at 6.30pm.

All very welcome!

Vicar's Letter

Dear friends,

It is almost here- the moment we have all been waiting for...the general election!

By the time this magazine arrives you may have five days to consider who you are going to vote for. If you are anything like me, the day comes, and the cross on the ballot paper tends to go into the same box as last time!

But now is the time not only to think of 'what's best' for me and my family but to think of the poor and disadvantaged - as Jesus did in his day. (Philippians 2:4)

For example: in a world where half of the population lives in poverty 'which party has the best policy on fair-trade and relieving debt in the developing world?' (Isaiah 61:1-3)

'Which party shows consideration for the asylum seeker and the refugee?'

Then we may be able to think of issues which affect our family and our neighbours- the relative who has had to wait for a long time to have a hip operation on the NHS. I heard today of an elderly gentleman who was attacked and the police (because of less police 'on the beat') took an hour and a half to reach him; the parents who have to work around the clock in order to enable their children to go to University and pay for their tuition fees. And so the lists of concerns go on...

With the internet and television we can find

out more about individual party policies and make an informed choice on who to vote for. The important thing is that we use our vote responsibly. But we also need to back up our vote with prayers for whoever wins the election and leads the government in the next few years. 1 Timothy 2:1-4 tells us to pray for those in authority. We need to continually ask God to help them to govern wisely, with compassion and justice.

We are so fortunate to live in a democratic country where all are free to vote. During May we will be celebrating 'Pentecost' when we remember how the Holy Spirit was given to the disciples in the Upper Room and how this diverse group of people became the Church- who went out to shape their world with the good news and action of God's love. Jesus describes us as having that same potential- like salt enhancing flavour in all it comes into contact with (Matthew 5) - we, with the Holy Spirit inside us, can bring about change for the better.

Wilberforce brought about change; so did the women suffragettes, so did Nelson Mandela and Martin Luther King and thousands of others - they weren't content with the status quo - but wanted life and Society to be more as God intended it to be.

When it comes to 5th May we have the opportunity to make a difference. Let's approach the ballot box thoughtfully and prayerfully. Let's make the Cross Count!

God bless,
Rev'd Claire

May they rest in peace, and rise in glory

Baptism:

Jamie Ridley - 10th April

Welcome to the Church family

Team Events in May

May is a time when Services across the Daventry Team will be taking place in celebration of the Ascension of our Lord and Pentecost.

Just as we think nothing of driving in a car to the shops, this month why not try travelling a bit to one of our Team services?

If early mornings in Nature are your thing- why not come to the shore of Daventry Country Park Lake for a dawn Service to celebrate Jesus' going to heaven - 7am on Thursday May 5th.

Or if you want to celebrate Ascension with Holy Communion- there is a team Eucharist at Ashby Church on May 5th at 7.30pm .

If you want to 'Praise God!' with a lively act of worship led by the Daventry Worship band- come to Staverton Church on Pentecost Sunday 15th May at 4pm, followed by tea and cakes.

There's something for everyone- it would be great to see you at one of these events!

Confirmation Sessions

Confirmation Sessions for adults and children starting in May

PARISH COUNCIL NEWS

Juvenile Nuisance.

PC Sarah Harris, our Community Police Officer, is currently investigating the recent spate of juvenile nuisance related Criminal Damages that have occurred within the village, specifically involving the Village Hall, Welton Road Children's play area and the Church.

She is seeking our assistance in obtaining an understanding of the "bigger picture". She understands you may be reluctant to report or assist the Police but would like to reassure you that any information given would be treated as confidential as far as possible.

There is a Police contact box within your local village shop, where letters and/or correspondence can be dropped. Your support in relation to these on - going issues will be appreciated and the Police ask that we work together in making Braunston a better place to live.

Sarah can also be contacted on 01327 300300
or via e-mail : sarah.harris@northants.pnn.police.uk

Daventry Welfare Rights Group

What Sort of Difference Could You Make?

£150, £220 over £300 a week

These are just some of the differences that the volunteers at Daventry Welfare Rights Group have been making for clients when they assist them to claim the benefits to which they are entitled.

Daventry Welfare Rights Group is an independent, voluntary organisation, set up in 1977 with a small team of volunteers which has been assisting residents of Daventry District to claim the benefits and allowances to which they are entitled. Based in the Abbey Centre in Daventry, our experienced and trained volunteers run the drop-in advice sessions.

The success of our service means that we are now looking for a few more volunteers to join our team, ***would you like to help make a difference?***

If you are available for a few hours a week, have good communication skills and are willing to make an interesting and worthwhile contribution to your community, we would very much like to hear from you. Full training will be provided and we will reimburse reasonable travelling expenses.

If you would like to find out what it feels like when you make this degree of difference to some of the most vulnerable members of our community then please call Val Wright on 01327 701630 to find out more.

From The Archives

From Issue No 241 - May 1991 - The Garden in May by Frank Cox

“May is a busy time for the gardener with much work to be done in flower border, vegetable plot and greenhouse. There is still some danger of late frosts, but this is often the month when a surge in growth makes up for what has sometimes been a slow start in Spring.

Late sowings of hardy annuals can be made while half-hardy annuals sown earlier in cold-frame or greenhouse should be hardened off ready for planting out towards the end of the month. Final planting of gladioli should be made early in the month and dahlias and spray chrysanthemums set out later.

Remove suckers from roses and use a systemic insecticide to keep greenfly in check. Keep a look-out for any sign of black spot, mildew or rust on roses, and if present spray with a systemic fungicide.

In the vegetable plot continue successional sowing of quick-maturing salad crops and finish sowing broad beans, summer and winter cabbage, broccoli and cauliflower. Remember to pinch out the tips of broad beans to discourage infestation by blackfly. Runner beans are sown towards the middle of the month.

Frequent light mowings will give you a better lawn than irregular, more drastic cuts, so keep the mower going weekly. Grass cuttings should now be removed and, unless the lawn has been treated with weedkillers, these can be added to the compost heap.”

BVN Deadline
