Vicar's Letter

Dear friends,

In the month of November at All Saints' Church we remember the past and look forward in Hope.

On All Saints' Day - Braunston Church's Patronal Festival- we **remember** the many Saints who through history have inspired us by their example. Our **hope** is that we can be a good example to those who follow us

On All Souls' Day we **remember** those we love who have died and are now in God's safe keeping. Our **hope** is that though we have lost someone precious to us one day we can turn again to life and smile

On Remembrance Sunday we **remember** those who sacrificed their lives for our freedom. Our **hope** is that we too in our life can fight for justice and peace.

So the month of November is very much about the present as well as the past. As we look forward in hope.

So please come and Remember and Hope with us!

God bless, Revd Claire

HELP WANTED...!

The All Saints' Christmas Fair is on 19th November at 2pm in the Village Hall. If you would like to help in any way - to put up tables, help on a stall or make items for a stall we would be really pleased to hear from you.

The Village Bells.

On Friday 21st October you may have heard the church bells ringing at mid-day, celebrating the 200th anniversary of the Battle of Trafalgar. There's not much doubt that they would have been ringing for the same event 200 years ago, because throughout England the ringing of bells has always signalled significant national events. This of course is additional to the regular task of ringing for church services. In town and village alike this has been a part of our English heritage for well over 400 years. It is even probable that our church bells rang out to announce the victory over the Spanish Armada.

Bells need ringers, a minimum of one per bell, and ideally we need sufficient ringers to cover for holidays and other absences. Occasionally our numbers are reduced and we have vacancies for new learners. English bell ringing is not only a fascinating individual skill, it leads to close team work and a social bond with ringers throughout the country. Learners' ages range from school children to retired persons. However, in the case of young persons, parental support is needed.

At Braunston we are recognised as a teaching centre and hold dedicated sessions for learners. To find more of this interesting activity give Peter Wenham a call on 891935 – or come along to our ringing practice at 7.30 p.m. on Thursdays.

October in Jetty Field

The clearance of the garden area is now complete and the outlines of the pond and stream have reappeared. This has been achieved entirely with volunteers and the result is truly magnificent. The woodland area is also open and the rough undergrowth cut down. The field nettles and brambles have been mowed down and a second hay crop removed as we begin to re-establish the meadow flowers and grasses. Tenders have gone out to cover work that is necessary on the trees of all these areas. We now have to reinstate field boundaries and upgrade the entrances, particularly at the top and bottom of the field to enhance our part of the Jurassic Way.

The next task is to consider the final two areas of the whole project on the west of the woodland triangle where the allotments used to be. We have opened up a way to let us do some detailed surveying and the approaching winter will give us time to get in expert advice on the protection on an amazing collection of wild life that has developed in this area over the years of human inactivity. But we ask that everyone keeps out of this area until plans are complete and we can take the necessary steps to do the right thing. The temporary opening will have a fence running across it that we ask you not to cross. Part of the survey includes the possibility of setting up allotments and we will invite those who have expressed an interest to a meeting soon.

There are many and varied opportunities to apply for grants and awards to improve places like Jetty Field which can be added to monies that the parish Council can make available. So we have an unusual suggestion. The management committee would like to recruit another member whose only task would be to prepare applications and presentations for a selection of possible grants. When we say "only" we realise that this word hides the sustained effort required to produce applications but someone might be willing to consider it if they knew that there were no huge committee meetings to attend or any other duties to perform. Guidance will be given and information provided as required and the work could be completed at home. If you would like to discuss this important contribution to village life and future then please phone Pat Herlihy on 01788 890590.

There will be no workday in November. The irony of the fact that we are the only group not having a bonfire this month will not be lost by the longsuffering residents of Eastfield and surrounds. We need time to consider and plan. An event is planned for December but Carol will be contacting the volunteers nearer that time. If, in the meantime, any volunteer has an idea for improvement and a few hours to do it in then please check first with Carol, Brian, Dave, or Pat. So take a deep breath, have a rest and feel the warm glow of those who have achieved so much.

"St Nicholas" St Tropez

A beautifully natural golden tan without dangerous sun exposure. This treatment includes full body scrub preceding the unique St Tropez formula. For that summer glow in December!

Holiday Holistic Escape

HOPE & HOMES for children

Hope and Homes help to provide a family and a future for thousands of orphaned or abandoned children.

The picture above shows participants at the Hope and Homes Sponsored Walk/Cycle at Draycote Waters. So far £526 has been raised from this event, with a further £133.28 from the Inland Revenue in Gift Aid. Thanks to all those who helped, took part, or sponsored someone. If any sponsorship money is outstanding, please could you forward to us as soon as possible (30 Church Road). Thanks also go to the Garden Association, who organized a quiz, the proceeds of which were also divided between Hope and Homes, and Macmillan Nurses. Thanks also goes to the Angling Club for allowing us to have a stall during their Autumn Fayre.

So far this year you have raised £2,260.80 for Hope and Homes. On behalf of the girls at Braunston Home, Sudan, we thank you.

Come and see us at the Christmas Fayre (All Saints) on the 19th. November in the Village Hall at 2:00pm.

Using Gift Aid means that you can make your donation worth more. For every pound you give, the Charity can claim an extra 28 pence from the Inland Revenue. Whatever Charity you support, as long as you are a Tax Payer.

Braunston Walkers

Saturday 15 Oct 2005 Norton Junction
(approx 12 Miles)

Nine intrepid walkers met at the village hall with the weather doing a fair impression of July. Sunny intervals and warm, certainly not autumnal. Phillip described the route and off we set up the Jurassic Way footpath out of the village and steadily up hill. At 175 metres we paused to look back at the village with the Warwickshire plain as a back drop. Unfortunately the haze meant that all we could see was the village itself, anything beyond that disappeared.

Crossing the Barby road we rejoined the footpath towards Ashby St Ledger. Jane pointed out all the toadstools in the field which had been named "tubs of lard" one, because the species was not shown in the book and two, to make them sound unappetising less anyone tried eating them and suffered dire consequences.

The A361 is currently closed for resurfacing and the workers kindly moved their barrow of hot asphalt so that our procession didn't knock it over. We crossed the road, avoiding the huge trucks delivering tarmac and arrived in Ashby St Ledger passing the pub that has now reopened after recent refurbishment. It being a little too early for a drink we decided to visit the church with its triple decker, Jacobean pulpit and ancient stained glass windows. It is a fascinating church, full of harvest festival bounty, built in mellow Northamptonshire stone and standing next to the manor house once owned by the Catesby family of gunpowder plot fame.

In the village we also spotted on one of the pretty thatched cottages the usual peacock and the more unusual jet airliner both made of thatch.

The footpath continued over, thankfully, dry fields to Welton and on out of the village on the road over Crockwell Hill from where we joined a footpath across the fields to Welton Hythe Marina on the Grand Union Canal. The trees here displayed fantastic autumnal reds and oranges as we turned south along the canal.

At this point two of our braver members decided to swing on a rope tied to a tree branch out over the canal. The rope held and nobody got wet so we continued to Norton Junction which has a sign showing Brentford at 89 miles and Leicester at 41 miles. Crossing the canal on a lock by the A5 we had our first catastrophe. The pub was not serving food as its kitchen was being refurbished. Not even sandwiches were available and we didn't fancy loads of crisps so a vote was taken and a detour made to visit the White Horse at Norton. In view of the lateness we set off at a blistering pace at first on the B4036 and then on a gated road arriving to a warm welcome at the pub. The sandwiches, beer and welcome were all excellent and we sat outside in the sun for a well earned rest.

We then collectively decided to detour along the road to Daventry before we rejoined the path down to the canal towpath towards the Braunston tunnel. Hedgerows shone with the scarlet of rose hips together with blackberries and sloes. Good for making Sloe Gin. At the tunnel entrance the stench of diesel and lights dancing on the water reflected a queue of boats emerging. We followed the path, used by the horses that used to pull the barges and walked over the top of the 1875 metre tunnel. Next to tunnel airshafts we could see the welcoming site of Braunston and we continued along the canal and up into the village and home for a comforting cuppa!

If you wish to join us on our regular monthly rambles which are not too strenuous, are a great way to have some healthy exercise, meet new friends, take in the occasional pub and make the most of our beautiful Northamptonshire scenery please call either Phillip on 01788891437 or Ray on 01788891384.

The next walk is planned for 19th November to Kilsby (approx 10 miles) with a pub lunch and another on 17th Dec. The only thing you need is sturdy footwear and enthusiasm.

THE PRICE OF VANDALISM

Wanton vandalism by a small number of village youngsters, is costing every household in the village money. Whilst willing volunteers have been working hard to create an attractive garden area at JettyField for everyone to enjoy, youngsters have been destroying what was a lovely old summerhouse. Doors and windows have been removed and destroyed, roof tiles smashed, the pond filled in with debris, the list goes on. The cost of the damage to date is estimated at £4,000.

The Parish Council now has to make the decision whether or not to invest money in refurbishing the building and risk further damage and nuisance to neighbours, or to just demolish what remains of the building.

On the Playing Field recently installed benches have been damaged and expensive play equipment for young children has been so badly vandalised that it has had to be removed. All this equipment was funded by the village. The Village Hall is regularly under attack by youths throwing stones and breaking windows, causing a drain on resources that could have been used to further improve the facilities.

The Village Green Bus Shelter is constantly having to be repainted due to graffiti and damage by footballs.

Unbelievably even our Church has been subjected to vandalism. The Parish Council is working closely with the Police to try to prevent damage and abusive behaviour by the few youngsters that are causing the problems but we are now having to look at the cost of installing CCTV cameras in vulnerable parts of the village. Money that would otherwise be used on much needed village improvements and projects.

Everyone can help to prevent this unnecessary drain on the Parish precept by reporting any vandalism or abusive behaviour to the police immediately it occurs. Your call will be dealt with confidentially. The number to ring is 01327 300300

Parents in particular can help by making sure they know where their children are and by explaining to them that any damage they cause will cost their Mum or Dad money.

Clubs and Society Events

THE ROYAL BRITISH LEGION **BRAUNSTON & DISTRICT**

The next meeting of the branch will be at the GEORGE HOTEL Kilsby on 8th November 2005. Please note that this meeting will commence at the earlier time of 7.30 pm. and will be followed immediately by the AGM. All members are urged to attend and new members will be welcomed.

At the last meeting Terry Griffiths of the National Executive presented John Berry with the Legions Gold Badge. This is the highest award the branch can give and is in recognition of 34 years service as the Branch Standard Bearer during which time he also served as County Standard Bearer. John paraded the Standard at many County and National events including The Royal Festival of Remembrance at the Royal Albert Hall. Thank you and well done John.

Remembrance Day service will be held at Braunston Church on 13th November at 3.00 pm. Members of the Legion are asked to parade at the church at 2.45 pm. There will, also, be a brief gathering at the War Memorial on 11th November at 11.00am.

60th Anniversary VE/VJ Band Concert.

The concert will be given by Daventry Brass Band, who reached this years National Band finals, and is in aid of the 2005 Poppy Appeal. It is to be held on 11th November 2005 at 7.30pm at the Ashby Road Community Centre Daventry. There will be a licensed bar and raffle.

Ticket at £6 will be available at the door or in advance from branch secretaries.

400 EDITIONS OF A VILLAGE NEWSLETTER

THANK YOU

400 editions of a Village newsletter is a remarkable achievement and thanks must go, not only to all those Editors over the 35 years but also to all those contributors who unfailingly submit articles and notices to be included.

And, of course, thanks must go to all those who regularly distribute your Newsletter each month, come rain or shine.

Without all this help and support this achievement would not have been possible.

Thanks are of course also due to all those local businesses who regularly help and support the production costs, including:

The Village Stores
The Village Post Office
The Manor
The Braunston Fryer
Village Meats
Braunston Garage
Braunston School of Motoring
Daxa Health and Beauty
Mike Fiddes

and all the others who contribute from time to time

BVN Deadline DECEMBER/JANUARY EDITION

The next Newsletter will be published on 1st December. Please leave material at the Post Office before noon **20th November** or by e-mail to **peterdickinson@btconnect.com** (Tel: 01788 891955) or **steve@rolt.net**

The inclusion of advertisements does not imply any form of endorsement by the Parish Council or All Saints' Church and any views expressed in the BVN are not necessarily those of either All Saints Church or Braunston Parish Council.
