VICAR'S LETTER

“...To give and not to count the cost...”

This quote is a line from a prayer by St Ignatius of Loyola. It is about generosity. It has been quoted by film stars, prime ministers, Archbishops and Popes.

The summer season is often a time when many people organise fundraising activities for local communities, churches, charities and organisations both in this country and overseas – marathons, fetes, walks, collections etc. Our own village has benefitted greatly from such activities. I am so grateful to all of you who have given and supported the work of your church. One other charity that has been highlighted to me this summer is the Trussell Trust who organise and run 400 Food Banks across the country. They have also provided hot meals for hundreds of children across the country this summer holidays. Many of these children would have had a hot meal each day at school and their parents struggle to find the extra money needed to feed their children 3 meals a day during the holidays. We have a collection box at the back of All Saint's Church for the Food Bank in Daventry. Last year they had 749 referrals, provided 24,500 meals and helped over 700 children and dependants. They do all this through the generosity of others. We will soon be celebrating Harvest Festival at the school, church and other groups in the village where much of the food that is donated will go to the Daventry Food Bank. Harvest Festival is a time of celebration for the food that we have and to give thanks to God for it. It is also an opportunity to give to others.

I know that Braunston is a village full of generous people who not only give their money but their time and talents as well to enable this village to flourish and be such a great community to be part of.

The Bible talks about being joyful givers and we have a great example of someone who gave in the person of Jesus, someone who gave without counting the cost. Thank you for all that you give.

Floodlighting

If you wish to have All Saints' floodlit for a special occasion it is very helpful if you could use one of the request forms from the table at the back of the church. The current fee is £7 per entry, although you can give more, and we ask that you try to keep the length of the dedication for inclusion in the BVN to not more than 12 words. The completed form with the donation can then be left at the Rectory or at the village Post Office.

Please ensure that your request is submitted in good time before the BVN closing date of the 18th of the month.

JENNI'S JOTTINGS

Well, here we are again dear readers. Getting near the end of Jenni's Jottings. Hurrah I hear you say.

What a month of heat we have had. I think we definitely need a swimming pool on every corner of the village. I did, however stand on my balcony in my nothings when we had the first rain. (The police let me off with a caution ha ha). The poor gardens have suffered so much. The lawns will recover but the flowers seem to have come and gone in an instant. The list of winners for the Best Gardens competition are listed here this month. Well done everyone. I hope all of you entering the Village Show do well and have managed to nurture enough produce to show. We British are never satisfied with the weather, either too hot, cold, dry or wet. I think poor Rob Buckley who provides us with the rainfall figures must have to wring out his water gauge to get a reading!

It is great to have reports this month from both our Football and Cricket Clubs. I wish them both much success in the forthcoming season.

As usual, a friend and I competed (I use the term competed very loosely) in the Car Treasure hunt. It was hilarious. My car was out of action so Lynn drove. I was reading the clues but feeling very car sick with reading we missed a few. It was great fun and a fabulous meal afterwards was enjoyed by all. I have joined the Cinema Club and went to my first evening at the end of last month. The film was Hidden Numbers which was very thought provoking, all about Nasa and apartheid. Again food was provided and a lovely usherette came round in the interval with ice creams and choc ices. How wonderful is our village?

Chris and I have begun our round of Craft Fairs and are enjoying them as usual. You will see us (Foscote Crafts) both at the Air Ambulance Day on the Green and also at the Church Arts and Crafts Fair later on. Hope to see lots of you at these events.

That is all from me, so I wish you all a lovely September and see you next month.

BRAUNSTON WALKERS

Saturday 18/8/18 Princethorpe (9 Miles)

Today's walk was designed around the Three Horseshoes Pub who had been proactive enough to email walking groups to come and enjoy the pub. It's often more difficult finding pubs than finding a good walk so we needed to visit this one. Sixteen of us met up at the Country and Bygones Museum in the village of Marton with ideal walking weather dry and cloudy, and then walked on tracks to reach Eathorpe where we passed the Plough Pub now sadly closed and boarded up. We passed a community orchard, what a great idea! The road out of the village lead us to a footpath signposted Hunningham. This path took us alongside our own River Leam and via Leam Lodge Farm on to reach Hunningham where we turned right following field edges with the church spire of Wappenbury in the distance. Terry was out today and handing out sweets to keep us going and Daxa fed us some homemade chocolate cookies. Yum! Nigel who was dressed in black braces, a bright orange T shirt and "peaky blinders" cap as if auditioning for a barn dance, much to Judith's horror, handed out sweets as usual. We crossed the Leam and wandered up to the church at Wappenbury, a village built entirely within the ramparts of an Iron Age Hillfort. This was the home of the founder of the Swallow Sidecar company which morphed into Jaguar Cars after the war. We passed Wappenbury Hall, his impressive house, and took a path off right that leads over fields to reach Princethorpe. We arrived at the Three Horseshoes where Bruce, Angela's other half, was waiting to join us, and were soon quaffing Bombadier and eagerly waiting Lunch. It was a little slow coming out but delicious and great value when it finally turned up. After Bharat had his Spotted Dick we set off again up the Rugby road and off right on field paths to reach Frankton and our lane back to Marton. In one Farm we saw a helicopter which is owned by Mike Ashley the owner of Sports Direct. After a run in with several large horses we made it back to Marton with time to visit St Esprit Church in the village before driving home for a welcome cuppa. A cracking walk with great company.

In September we have our Walking Weekend in Woodbridge Suffolk.

Treasure Hunted!

The annual car treasure hunt in aid of All Saints' Church took place on Friday 3rd August, with a record number (at least in recent years) of participants; church members, villagers and visitors/friends, making up 13 teams.

This year, the route and questions were prepared by Andre, Joanne, Sue & Nikki (last year's winners, who got the dubious honour of organising the route for the following year!). Unbeknown to the participants (around 50), the route was in a figure of 8, starting in one of two directions (routes given out alternately). This helped reduce teams passing each other too often.

There were 60 questions to answer - ranging from simple to ...a little harder, to cater for everyone. Teams started returning just over 2 hours after starting, and each question was answered correctly by at least one of the teams (always a good sign that it wasn't too difficult!), although no team managed to answer all questions correctly!

A delicious buffet meal followed, provided by various helpers and kindly organised by Alison Milner, this year outside the church, making good use of the superb weather.

The winning team, in time-honoured fashion, are tasked with organising the route and questions next year. 2018's winners were "The Irreverends" - first-timers Braunston vicar Rev Nat, her husband Pete, Adriana and Anabell!

Do come along next year!

ROYAL BRITISH LEGION

The Branch was originally founded in 1927 and as well as Braunston now includes the villages of Barby, Kilsby, Welton and Ashby St. Ledgers.

The original membership was very strong attracting a large number of surviving servicemen from WW1 and again from WW2. However, during the more recent years there have been few new recruits and existing membership has gradually declined as members have passed away and have not been replaced. We have now reached the point where we have insufficient active members to form a committee and carry on as a Branch and it is anticipated that the Branch will have to be closed down at the AGM in November. Individual membership of the Legion may still be retained and advice on this will be given when matters are settled.

The annual Poppy Appeal will still take place locally in November and will continue to do so whilst there is still a local organiser and volunteers for door to door collection. At the moment we still have both, several of whom kindly signed up at the village fetes, but in due course this may, also, become a problem. Locally we collect each year almost £10,000 and nationally around £60 million. There is still a great need for the support given by the Legion to both serving and ex-servicemen and their dependents and you are reminded of the national Independent Living Service provided by the Legion (www.britishlegion.org.uk).

You all will be aware that this November is the 100th anniversary of the ending of WW1. A service will be held at 3.00pm on Sunday 11th November in Braunston Village Church to commemorate this event and to remember the 32 men from Braunston who gave their lives in this conflict and a further 8 in WW2.

For the time being we are continuing to hold monthly Branch meetings. The next one is on the planned date of September 11th at 8.00pm. The monthly lunch will be held on 19th September at 12.00 midday. Both events will take place at the Sporting Club, Barby.

Braunston Paddock Cricket Club - Cancer Research UK

Last Sunday (5th Aug) Braunston cricket club held an intra club 7 a side cricket tournament to raise funds for Cancer Research UK. A superb total of £560 was raised through match fees, donations, fines and barbeque sales.

The idea was the brainchild of the club's youngest player, Rohan Patel, who captained one of the three teams. The club responded brilliantly when he suggested the event as most members have family and friends who have suffered the disease in recent years. Special thanks go to Jordan Shingler for organising the event and also to his dad, Kurt, for umpiring, despite the intense heat.

(Ed, being noseey I asked Richard where "Paddock" came from)

Why Paddock

About 40 years ago the late Andy Clarke, a former Parish Councillor, and a number of his old Ashlawn School friends played football for Paddock FC. The team were based at the Paddock pub on the corner of Ashlawn Road and Hillmorton Road in Rugby.

Andy was a keen cricketer who played for both Barby and the old Braunston team and he suggested that the football team should form a social cricket team in the summer and join the Rugby and District midweek league. As time went on Andy persuaded more people from the village to play and by the mid-90s most of the team had some village connection. Pete Helliwell, Bob Moore, Paul Hankinson, Charlie Bramble, Alan Jellis, my son Simon and myself were all regular players.

At about this time the former Braunston team folded and the pitch became available and it was really a no brainer for us to take over the pitch and get away from the poor parks and school pitches that we had been playing on in Rugby.

The following year, just after Andy's untimely death, we decided to take a chance and play more serious cricket and join a Saturday league. In doing so we picked up villagers who had been playing for other local teams. We were keen to use the village name but equally a number of players wanted to hold onto the clubs "Paddock" roots. As a result, we formally adopted the name Braunston Paddock in 1996.

We now run 2 Saturday sides and a Wednesday team, but I think that it is only Simon and myself who can date back to the original Paddock team.

BRAUNSTON CANAL SOCIETY

July saw the society embark on this year's schedule of lock painting. As all six locks were in much the same condition it was decided to start from bottom lock (lock1) and work our way up the flight. In general, we need to paint each lock once every two years. This gave us a target of 3 locks per year. The weather had been in our favour and had dried out the lock beams nicely. The race was now on to take advantage before the rain came. Concentrating on the wooden parts of the lock a Saturday group of 11 volunteers completed lock 1. The wood on locks 2 and 3 (Nelson lock) were completed over 4 task parties by 9th August achieving our objective. These locks will be revisited to paint the metal handrails and bollards.

At lock 1 the existing life ring holder, sited on the wall of the dry dock, had seen better days so it had to go. Dave Weller, our chairman, put his woodworking skills to good use by constructing a new housing and refurbishing the ring. The make over here will continue with some horticultural adjustments.

In addition, a Thursday crew got stuck into removing encroaching soil and grass exposing the boards lining the towpath at lock 4. This links the recently refurbished towpath at each end of the lock. At a later date a topping of gravel will be applied using a w acka plate. As a bonus the ramp down from the Nelson bridge to the towpath was cleared of accumulated soil and weeds allowing safer and wider access.

The Society is always keen to welcome new volunteers so if you would like to come along and have some fun you can email me at braunstoncanalsociety@gmail.com or phone/text me on 07817 435911.

One of the many wonderful things about Greenhaven is that you can be buried however you wish. We think burial is about celebrating the life someone has had and the things they enjoyed.

You can have the burial you want, but at a fraction of the cost of a conventional one. And for those left behind – a beautiful woodland sanctuary where life goes on and memories linger.

Village Football Team Bag a Hat trick

With the new season starting in September, Braunston FC have secured 3 Sponsors enabling the club to continue for its 4th Season.

The 4th season looks to be the most promising of all, following strong performances in the preseason friendlies. Intense training sessions working on fitness and core.

We would like to say a massive thank you to our sponsors who are mentioned below:

Braunston Print - A Northampton based printing company have purchased the team their new away kit and volunteered their time to print all the items of clothing for the forthcoming season. Janet who moved to the Braunston in March this year couldn't wait to get involved and give back to the wonderful village she lives in. Braunston Print offer a printing service their website is worth visiting should you need anything printing.
www.braunstonprint.co.uk

Home Farm Events - This is the 2nd time the family have got behind the Braunston boys. They offer a wedding venue surrounded by the amazing views that your beautiful village has to offer. You're all very lucky to live in such a picturesque village.....even luckier if get to celebrate your wedding at Home Farm. Home farm have contributed towards the track suits that you may see the Lads wearing on a Sunday after games. We're all friendly so ask us how were getting on.

The Admiral Nelson - We're so lucky to be sponsored by the Nelly, The UK's 1 finest Waterside Pub. Liam Evans recreated Braunston FC 4 years ago, the effort and time that goes into getting the club affiliated with the FA is massive. Without the Nelson there may not be a Village Football Team. Liam and Family have provided us with the new home kit and after all our games the boys go back to refuel and enjoy the amazing local, homemade food that comes out of the kitchen. Braunston as a village are blessed to have such a good eatery in a beautiful location on your door step.

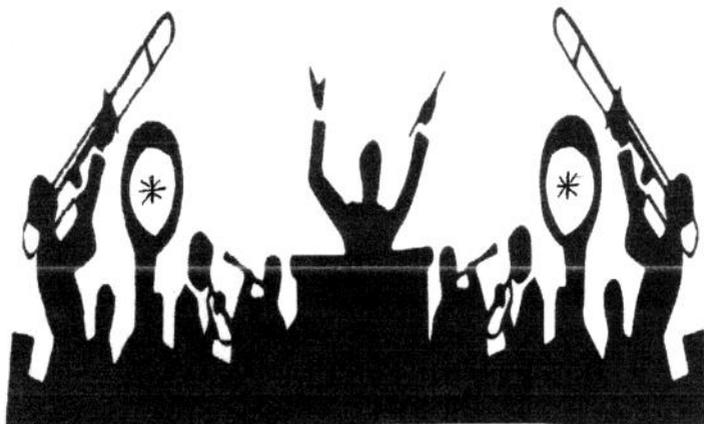

We would also like to thank the Playing Field Association for all the support. They work hard to juggle fixtures and events. We've noticed a skate park is being built which is a nice new addition to the village.

Our first home game is the 9th September. Kick-off is at 11am down the playing field. It would be wonderful to have some more supporters.

The club would eventually like to expand to have a 2nd team and one day hopefully bring youth football back to the village. If you are interested in helping out in any way please contact me Lee.twynholm@hotmail.co.uk or I will be in the Nelson most Sundays 1-3pm
