

BRAUNSTON UNITED FOOTBALL CLUB. The Football Club will hold the Annual SIX-A-SIDE Competition on August 7th, starting at 2 p.m. on the Football Field. Local sides competing include Badby, Kilsby, Napton, Dunchurch and Welton. There will also be available other entertainments - skittles, putting, treasure hunt for the children etc. We hope for a large attendance to ensure the success similar to that of last year's competition.

VILLAGE NOTES. The annual inspection for the Tidy Village Competition will soon be here and we hope to retrieve our former position in this. The Guides and Brownies showed the way. The Scouts also did a good job of speedy clearance of litter left by an unthinking minority on the day of the Donkey Derby. On this we can congratulate them. The short spell of summer weather brought out many of the June flowers. This year the Council has ceased the spraying of the roadside verges with weed killer. This has left the cruciferous food plants to feed the larvae of the Orange Tip Butterfly which has been abundant in consequence. The Cinnabar Moth, with its bright red wings may be seen. Its yellow and black caterpillar will soon be on the groundsel. Small Copper and Small Blue butterflies are flying, and soon we should see the Six Spot Burnet Moth on the old railway line. Children are appearing to develop an interest in nature study - they will find this an abiding source of interest.

BRAUNSTON FRIENDLY CLUB. The party arranged at the Rectory Garden on June 14th had to be transferred to the usual schoolroom. Members were grateful to the Rev. Canon Powell for his entertaining presentation of slides of Peterborough Cathedral. The Rev. and Mrs. W.B. Griffiths have kindly offered the use of their garden for our meeting on June 28th and we hope the weather will be kinder then. On July 12th the Club meet at Ashby St. Ledgers, and on July 26th at Tibbitts Farm at the kind invitation of Mr. and Mrs. C. Alderson Smith.

FILM. The Paramount Company is producing a film "Running Scared" in the Village, Directed by David Hemmings, it is a major production, and we may know the names of the stars taking part next month. Meantime, we wish it success.

BRAUNSTON WOMENS INSTITUTE. The next meeting will be held on Tuesday, 6th July, when Mr. W. Back will speak on his experiences in Russia.

VILLAGE HALL. The Committee would like to enlighten the community about the alterations to the Village Hall. As a great deal of money is required for necessary work, the Committee have applied for a grant in order to obtain the cash desperately needed. The grant application is still in the early stages, and therefore, it is of great importance that we use our own methods of fund raising, i.e. the weekly tote. May we thank the people of Braunston, who kindly give to the tote each week. Unfortunately, we do not have the number of helpers required to cover the whole of the Village and would like more volunteers for this. Any person or persons willing to give this help for the collection of tote money can contact the Secretary, Mrs. S. Holland, 4 School Close, Braunston. Given a little more time and a little less vandalism, the Village Hall will very soon be a completed project and will belong to YOU, the people of Braunston.
