Braunston Friendly Club. The entertainment for the meeting to be held on November 13th is not yet decided, but the meeting fixed for November 27th will include an "Any Questions" session. We give preliminary notice that the Christmas Dinner will be held on Wednesday, 13th December.

Braunston Womens Institute. At the A.G.M. held in October, Mrs. J. Montgomery was re-elected President, with Mrs. E.F. Hall and Miss S. Rowley as Vice Presidents. The entertainment consisted of Holiday Slides shown by Mrs. J. Reed and Mrs. A. Langley. The speaker for the November meeting will be Mr. J.M. Tyler, County Music Advisor, and the competition, an unusual musical instrument.

Braunston Young Wives Club. On October 12th, a most interesting meeting was held, when Mr. Tom Russell cut up

a pig to demonstrate the various joints of pork. Many questions were asked by members. Our next meeting will be the A.G.M. on November 9th. All members are urged to come along to use their votes. Nominations are being accepted for the new Committee. The A.G.M. will be followed by Coffee and Gateaux, and a tombola session. Members are also asked if they would volunteer to help on a rota to make cups of tea for mothers at the monthly Welfare Clinic. This is to be held in the Methodist School Room on the fourth Thursday of each month, from 2 p.m. to 4 p.m. Names of possible helpers may be given to any committee member.

Braunston P.T.A. Bonfire Night - 4th November. As the bonfire was so successful last year, the P.T.A. is repeating it this year. The lighting of the Fire will be at 6.30 p.m. on Saturday the 4th November, and all parents, children and visitors will be welcome. We hope to make this a safe event by having RESPONSIBLE ADULTS setting off the fireworks in a safely roped-off area. The P.T.A. have already purchased some large display fireworks, but you can help too by contributing ONE LARGE FIREWORK PER FAMILY to enable us to make a spectacular display. Some of the larger fireworks will be stocked by Mr. Snelson, but if difficulty is found in obtaining one, please send us a donation instead. This can be sent to Mr. Roberts, Greenway, or to Mr. Duse, The Green.

Once again, prizes will be awarded to the children who bring along the best Guy Fawkes. Don't forget that there will be excellent refreshments.

Village Notes. The autumn tints add a beauty to the countryside even if they do presage the onset of winter, and early morning frosts remind gardeners to take indoors their geraniums etc. Among the insects which may seek shelter in our houses are those which we may see in the garden but are less conspicuous out of doors. These are the Green Lace Wing Flies. Their name is derived from the appearance of their wings. As they hibernate they become a reddish brown, but regain their original colour in spring. When the larvae emerge from eggs in summer, they seek out and devour the greenfly on roses etc. and so they are good friends to the gardener. Many people have forgotten the pleasure of walking in the country - the motor car has made them lazy. Those who still walk will be interested in the efforts
