BRAUNSTON YOUNG WIVES. Mr. Wilson, of the National Trust, is giving a talk on Tuesday, May 10th in the Library from 7.45 p.m. New members and visitors welcome. Mr. Roger Pearce told us about the Probation Service and Community Service last month and we learned quite a lot about this service.

BRAUNSTON VILLAGE GARDENS ASSOCIATION. You are reminded that the Association is holding a Plant Bring and Buy Sale on the Village Green on Saturday, 7th May, from 10.30 a.m. to noon. As it is now the planting season this is an opportunity for you to buy plants fairly cheaply and at the same time to get rid of any surplus ones - so please support this effort.

May 14th is the Carnival Weekend - there will be a plant stall on the Playing Field. Please bring plants, seeds, flowers, or anything in connection with the Garden to the Playing Field after 2 o'clock on the afternoon of Saturday, 14th May.

The sales of fertilisers goes on at the Village Centre every Sunday morning from 11 a.m. to noon and will continue until 26th June. There are still a few Crop Bags available, Lawn Weed and Feed, and a quantity of Liquid Manure.

VILLAGE CENTRE MANAGEMENT COMMITTEE Please note that the Annual General Meeting of this Committee will take place on MONDAY, 30TH MAY, at 8 p.m. in The Centre.

VILLAGE NOTES

ALLOTMENTS. At the A.G.M. of the Electors of the Parish, it was stated that if sufficient applications for allotments were forthcoming the Parish Council would try to obtain the necessary land. Anyone interested should write or telephone to the Clerk to the Council Mr. G.E. Green, 10 North Close, Braunston (Tel. 890057)

One marked difference between the hurran race and many other members of the animal kingdom is that in our case the lady adopts personal adornment in order to attract the male. In certain other species - notably birds - the male sets out to attract his intended mate. The male Mallard is a beautiful sight - his head and neck are bottle green shot with purple - like the silken coat of an eighteenth century dandy, while his mate is plain brown colour. Other types of ducks are similar in their decoration.

The cock pheasant too, struts around in all his glory with bright red face, green neck, and white collar - much more elegant than the hen. However, this makes him the prime target for sportsmen, who shoot the cock and leave the hen bird for further breeding.

ARTICLES FOR THE JUNE ISSUE SHOULD BE IN THE HANDS OF THE EDITOR ON OR BEFORE 21ST MAY, 1977.
