BRAUNSTON DANCING CLUB. The Dancing Club has again enjoyed a successful year, and the final Dance of the Season will be held on the 24th June in the Village Centre. To this, for members only, will be a Jubilee Dance and the Ron Whittaker Trio has been engaged. Will members please note that the new season commences on Friday, 16th September.

BRAUNSTON GARDENS ASSOCIATION. You are reminded that the judging for the Front Gardens Competition will be during the middle of this month - there is only a

little time left to get your garden tidied up.

VILLAGE NOTES. Animals, left to look after themselves, seldom suffer harm from over eating. Rabbits, surrounded by ample natural food never over indulge. Young animals are less discriminating, both in the quantity and the quality of the food they eat.

It is the reverse of kindness to give an animal unsuitable food - a fact constantly repeated by Keepers of Zoos etc. More than one bear has died after being fed by a surfeit of sweet buns.

Lambs, kittens and puppies fascinate children, but feeding them can kill - so in future please leave the feeding of such animals to their own mothers or the experts.

The Village has been tidier recently. Please continue to put litter in the bins - not in the street.

ARTICLES FOR THE JULY ISSUE SHOULD BE IN THE HANDS OF THE EDITOR ON OR BEFORE 21st JUNE, 1977.
