ROYAL WEDDING - 29TH JUNE, 1981.
A meeting of people interested in making arrangements to celebrate the Royal Wedding Day was called for the evening of 15th May. Only 13 people attended and 11 promises of assistance were received from villagers who were unable to attend the meeting. Those present were very disappointed at the lack of interest, and in view of this apathy they concluded that they would not be justified in arranging a village programme for the occasion.

ROYAL BRITISH LEGION - Transton & District Branch. We are pleased to announce that we have been able to purchase two wheelchairs and one going abroad for the third. We are indebted to Mrs. Joyce Thompson and her family for sponsoring this project, especially as this is the international year of the disabled. Also to all who have helped us to achieve so much.
Mrs. Alice Payne is the first person to benefit, and the wheelchair was handed over to her by Mrs. Thompson on Tuesday, 20th May.
Any person wishing to make use of these wheelchairs may apply either to Mr. Walter Beckett or to Mr. Jack Rowley.

M.S.P.C.C. We are thrilled to be able to tell you that the Summer Luncheon held on 17th May raised the sum of £285.50 in aid of the National Society of the Prevention of Cruelty to Children. Over 100 tickets were sold, with interest and support coming from a wide area. Our special thanks go to Sally and David Morden for the use of their bungalow. Thanks also to all who donated raffle prizes, and not least to the hard work put in by the "gang of five".

VILLAGE NOTES. Among the birds which haunt our canals, ponds or lakes, perhaps the most fascinating are the wild ducks. Near here, mallards are probably the most common of this family. In the human race the female makes herself attractive, but the male mallard, with his beautiful bottle green head, is certainly more glorious to behold than his plain brown mate. Nothing could be more attractive than to see the proud parents of perhaps 11 or 12 children swimming on the canal.
