BRAUNSTON PARISH COUNCIL - SPINNEY HILL - SUGGESTED SITE FOR YOUNG CHILDRENS PLAY AREA

Parents and other interested parties are invited to attend a meeting to be held before the next Parish Council Meeting, on Monday, 8th October, 1984 at 7.00 p.m. in the Library in the Village Centre, to discuss this suggested project.

BRAUNSTON WOMENS INSTITUTE.

The overwhelming response to the knitted fashion show staged at September meeting meant the doors had to be closed when the Hall was filled to capacity, so apologies to those who did not get in. Models were W.I. members, also Julia and Fiona Arrowsmith.

"Myself when Young". Please look out a photograph of yourselves when you were baby-teenager; the Oct. 2nd meeting is the A.G.M. and there is a photo-quiz. Preferably hand in your photo, name on reverse, to Mrs. Joan Turner at the P.O. before that date (in a sealed envelope marked QUIZ). Any members who paint or sketch are asked to bring their pictures for a small exhibition that evening.

MEALS ON WHEELS Do you have a car? Can you spare an hour or so on a Tuesday or Thursday morning just once a month? If so would you like to deliver meals on wheels in Braunston?

The container is heavy so a 'mate' to help you would be an asset.

The work is voluntary but petrol money is paid at the rate of 18.9p per mile.

If you are interested, please contact Janet McCarthy, 19 High Street. Rugby 890336.

VILLAGE NOTES.

Rainfall in August - 74.0 mm

on Aug. 6th - 32.2 mm

in September to 21st - 69.9mm

The favourite wild bird in England is undoubtedly the Robin Redbreast which figures so prominently on our Christmas cards.

However, he is fiercely jealous of any other of his relatives who venture uninvited into the domain which he regards as his private estate. Sparrows in that area he regards with indifference.

Already a juvenile robin has selected his private estate for the autumn and winter. Up to now he has not fully developed his adult red waistcoat but has feathers light brown and white with a red tinge showing through. He is not at all afraid of humans, readily going over a new spadeful of earth freshly turned looking for titbits.
