The Coffee Morning and Buy Stall held at the home of Mrs. Janet McCarthy, realised the sum of £28 for Club funds.

A variety of savouries and sweets were made by Mrs. Pam Giles of Daventry, when she gave a Cookery Demonstration to Club members. These were included in a draw and several members were lucky in winning a nice treat. The vote of thanks was given by Mrs. Eliza Merchant.

Monday July 14th Members are invited for tea in the Village Hall at Ashby St.Ledgers.

Monday July 28th A representative of the League of Friends of Rugby Hospital will give a talk. There will also be a Bring and Buy Stall, the results of which will be given in aid of the above.

53 members enjoyed a coach ride round the countryside on Tuesday last, calling at the home of Mrs. Ivy Evans of Long Buckby for tea, prepared and served by members of the Committee. Mrs. Evans was thanked by Mrs. Janet McCarthy who presented her with a box of chocolates.

VILLAGE NOTES:

RAINFALL in May	59.5mm
" in June to 21st	18.3mm

Today many accidents occur on roads as traffic becomes heavier and faster. Causes of some accidents are due to carelessness. One of these occurs when boys play football on a road where cars are being driven. The playing field is the place for this game.

Children, little more than toddlers, are allowed to ride bicycles and tricycles, unsupervised, on roads. At that age they are not aware of the dangers from vehicles so they should be watched when riding their toys.

After what we thought was an endless winter, summer seems to have arrived. For weeks rainfall prevented work in our gardens and the icy winds stunted growth. However, our feathered summer visitors swallows, martins and swifts fly round though for some unknown reason, in reduced numbers. A cuckoo has haunted trees in gardens in the village.

The brilliant red Cinnabar Moth is now on the wing and its black and gold caterpillars will soon be feeding on groundsel and ragwort.

The delicate Damself Dragon Flies are flying in the warm sunlight.

A gentleman who has studied Moles for years forecasts that our summer will be hot. We hope that he and the little gentleman in velvet will be correct.
