2nd Braunston Cubs

We have had a busy time recently. After our June camp, the District Athletes Badge day was held at Stefen Hill sports club on 9th July. The Cubs who attended had a very energetic afternoon competing in many different events, and we were very pleased that 3 Cubs achieved the Stage 1,2 and 3 badges, and one was awarded the Stage 1 badge.

The following week-end, 2 Cubs went out on an 8 hour incident hike, which was thoroughly enjoyed. The week after, 3 Cubs did the Navigators Badge, doing a range of navigation exercises.

On a very warm Saturday at the end of July, the whole pack went on a 7.5 mile hike along the canal towpath and back through Flecknoe and Wolfhampcote.

We had a very enjoyable get-together of Beavers, Cubs and Scouts at the end of July. We started with a campfire, and then took over the nearby field with a variety of 'bases', ranging from water chariot races to face-painting. The evening finished with a well earned drink and hot dog.

We are now looking forward to a full Autumn programme. If you are between 7 and 10 and fancy joining us, then ask your friends who are Cubs, what it's like, and then come and see what goes on at the Den at the bottom of Cross Lane on Wednesday nights, 6.00-7.30pm.

Village Notes-Dick Herne.

A name familiar to all who live in Braunston is 'Gurneys', and their premises have had quite a varied history. The small window to the east of the present shop front belonged to the original grocery shop. Mr Gurney also owned a small boutique in a house that was formerly occupied by a bank, next door to Elgin House. In between the two shops was another building which at one time was one of the many public houses in Braunston-The Cross Guns. Subsequently, it became a butchers, then a greengrocers, and finally a betting office. The building was pulled down, and the modern store was built in 1973.

Village Appraisal: 65% of village homes returned appraisal forms. A report with the data has been prepared for retention in Village Library, with copies to the Parish and other Councils. A booklet is being prepared for sale to the public. The appraisal shows Braunston as a fortunate place and most people want to keep things as they are. There were concerns about road safety, dog mess and keeping the Green Belt between us and Daventry. There is a demand for more Nursery schooling. Delighted to find over 90% said they read Braunston Village News!

We hope you like the new layout created and printed by Pat and Duncan White. However we haven't found a cheap way of printing and may have to return to the 'Roneo'. Material for next edition to M. Foulkes on 890965 by 21st September.
