Vicar's Letter

Dear Friends,

Autumn is with us once again and the month of November. It is amazing how time flies! We begin the month at Church celebrating our Patronal Festival- All Saints day on November 1st. The occasion will be tinged with sadness this year as our Organist and Choir director- David Noble will be leaving us after nine years of service at All Saints'. We have greatly appreciated David's great talent for music and the way he has led and inspired our worship. We wish him well as he further develops his musical contribution to the School where he works.

In a day our minds move from thinking of the foundation stones of the Church- Martyrs, and Apostles, who the Church felt it would be good to honour with Sainthood, to remember 'all Souls'. People who have been 'saints' in our own lives. Maybe we remember with fondness their halo slipping a few times (!)- but they have been for us our companion, our friend, our rock- and their absence we still feel. The All Souls Service offers u

an opportunity to remember those we love by name and to be comforted by God's all encompassing love for them and for us.

Then Remembrance day- when we remember with gratitude those who have fought for us and continue to serve us overseas so that we can live freely. Please see details on the other pages and come and join us!

I find questions come up in my own life and in the life of others which are not easy to answer. Questions such as; 'Why do good people suffer?' 'Where do we go when we die?', 'Does prayer *really* work?... etc. There is a danger that life goes by and we do not give much thought to these questions. With this in mind we are going to run a 'Big Questions Course' where such questions can get an airing and where different speakers from the Daventry Team will give some input. Plenty of opportunity will be given for discussion and sharing. Good food will also be on offer- and though the topics are serious ones I'm sure the evening will not be without a fair bit of laughter! If you are interested- please do come to the enquiries evening on Monday 6th

November- 7.30pm at Braunston Rectory. But please come 'hungry' as there will be a meal on offer!

If for any of these services or the Questions Course transport is a problem please do not hesitate to phone and we will arrange transport.

Last but not least- thank you for those who are '**Friends of all Saints**'- I hope you will take the opportunity of once again supporting your Church. Your gifts towards the upkeep of the Church are very much appreciated.

God bless,
Revd Claire

BRAUNSTON TWINNERS

Rev W Bevan Griffiths

It is with sadness that I report the death of 'Rev Bev' at the age of 93. He retired from Braunston to his beloved Wales and was taking Services in the Welsh language into his nineties. His funeral took place in Wales on 2nd October 2006.

He was Rector of Braunston for 20 years, arriving when I was a little girl and leaving when I had been at work for a number of years. In those long off days, Braunston was his sole responsibility and was a smaller village than it is now - how times have changed!

He asked us questions and listened to our answers when we were little, cared for us in the good times and the bad, made us welcome at the Rectory in our teenage years and challenged us as we grew into adulthood. He could be seen most days on his bike or walking in the village - visiting those who couldn't be in Church and finding out what those who could have been in Church, and weren't, had been up to!

His passing has caused quite a lot of reminiscing to take place - Kath Hyde and I have a vision of Rev Bev on ice skates at 'the Silver Blades' on a trip out with youngsters many years ago.

His 20 years of ministry had a big effect on my life and he is remembered with great affection.

Sheila Rowley

Betty Hargraves would like to thank everyone who came to the MacMillan Coffee morning on the 29th September. In spite of the rain we raised £602.81 - Many thanks

Thank You

AN APPEAL FOR YOUR VILLAGE HALL.

Dear Neighbours,

I wonder if you saw the old pictures in the “Images of Old Braunston” booklet recently published. The pictures of the Village Hall in times past spoke of a day when the Hall, then the village school, was the hub of the village. Today, the Hall is still a busy place with a wide variety of groups and activities making use of its facilities. But there is always room for some more.

Would you like to have more say in the running of the Village Hall? Perhaps you have an idea for improving the services which the Village Hall provides? We are looking for local people to help out in various ways, both practically and financially. Could you offer your skills in e.g. Organisation, administration, finance, fund-raising, , building maintenance, security, etc?

If your job involves arranging or going to meetings or conferences, have you considered Braunston Village Hall as a venue? The fully modernised kitchen is available for your catering and hiring costs are much less than dedicated conference venues.

Some of the suggestions to date include establishing a (regular?) car boot/table top sale and promoting the Hall as a wedding/birthday/anniversary celebration venue for the benefit of Braunston residents.

The Village Hall committee meets once monthly and we welcome anyone who would like to make be involved. However, a willingness to contribute in other ways is more valuable than attending meetings!

No appeal would be complete without an appeal for financial help!

Currently, the committee is planning the construction of a safe, outdoor play area in the Hall grounds for Braunston’s pre-school children. The estimated costs of this will be in the region of £38k. To date we have collected £23k from various sources.

Could you help to make up the shortfall? A donation of any size would be welcomed towards this worthy project.

If you feel that you would like to contribute in any way, please get in touch with either myself or any member of the Village Hall committee.

Many Thanks,

Steve Woods

MORE NEWS FROM THE VILLAGE HALL

The previous item from Steve is an appeal for more people to get involved with the running of the Hall. Steve was elected to the management committee at our last AGM and has volunteered to take on the role of Vice Chair, trying to get more people involved and to lead our fund-raising efforts. We have a new team, that includes our new Booking Officers of Rob and Dee Whittington, and Avril Dent who is our Treasurer, plus Cindy Brewster, our Secretary. Other trustees of the Hall include representatives of the village and many of the regular users of the Hall.

Trying to maintain and improve our old building is an onerous and expensive task. Our Pre-School Playground project has attracted funding from many different sources and we were very grateful to receive news earlier this month that we had been awarded a grant of £2500 from **E-on/Central Networks** from their Safer Environment Fund, who are funding the safety fencing around the area. This brings us a little nearer to our target, and is gratefully received.

It is a big boost after the problems we experienced over the Summer when the Village Hall was twice broken into and all the fire extinguishers stolen. One was let off inside the main hall, and meant it took 5 hours to clean and make the Hall useable again. Oddly, only one damaged fire extinguisher was recovered within the village, so if anyone does know where they ended up, please let us or the police know. The cost of replacing these necessary items was over £500. Because entry was gained by breaking a window and cleverly ending up in one of the Pre-school cupboards, the broken glass amongst their toys and dressing-up clothes meant that everything had to be thrown away and will cost the Pre-School several hundred pounds to replace. If anyone has any information on who did this, or any other damage to the Hall that seems to occur with regular monotony, then please call me, Lynne on 890865, or let the police know.

We are now in the run-up to Christmas, when many fund-raising events are taking place at the Hall, not least the **Braunston Players' Music Hall** which raises, with your support, masses of money for the Village Hall. It is on for 4 nights from November 29th until December 2nd. and is always sold out, so buy your tickets early for a great night out.

Things are swinging down Braunston Playing Field

Anybody who has been down to the playing field recently might have noticed that things are changing for the better.

The swings have been repainted and the swings really swing having all been re-bushed, and the nursery seats replaced. Also the concrete is being broken up to be replaced, in this Health and Safety era, with a more impact absorbing surface.

What about that vacant space to the right of the swings? Hopefully by the time you read this a new Springer motor bike will be in place thanks to Braunston Parish Council!! Why has it taken so long? 'cos the sub assembly underground had to be dug out and overhauled as it had worked loose and was becoming unsafe..

Greater things are yet to come. A grant application has been made to Awards for All to extend the hard play area at the far end of the field to give a full size football/ basketball pitch. It is hoped that whilst the ground work is being undertaken the area can be extended to incorporate an area for the long awaited skateboard ramps. The ramps might not be there but at least the area will be!!

The development will also incorporate a Youth Shelter.

It has also been agreed that the hedge to the left of the gate will be 'laid' over this coming winter thereby improving access on the footpath and increasing visibility. The weeds in the play area will be treated.

Unfortunately the Junior Football Team, without notice, has deserted the playing field, moving to Daventry. We therefore have two football pitches for hire!!

All this work is being undertaken by willing villagers. Labour might be free but material certainly aren't. We are therefore, between painting and digging etc. holding an **Autumn Fair in the Village Hall on Saturday 4th**

November. Please give us your support!! Any further offers of help will always be welcome.

OPERATION CHRISTMAS CHILD – SHOE BOX APPEAL

For the past few years the children at our school have taken part in this project. They fill a shoe box with items suitable for a child and then cover the box with Christmas paper.

The boxes are then collected, processed and distributed to children in hospitals, orphanages, refugee camps, homeless shelters etc. by Samaritans Purse. The gifts are given regardless of nationality, political background or religious beliefs.

It would be lovely if residents in the village would also support this appeal. Anyone who wants to know more may either come into school and pick up a leaflet or go on the website www.samaritanspurse.uk.com. The boxes need to be ready by the 11th November. We are collecting the shoe boxes in school and hope to reach the target of 100.

At a time when we receive so much, it is good to remember those who have little. For some children this is the only present they will receive. Any group who would like to borrow a DVD about this project, please contact Mrs Parfitt at school. So children, teenagers, adults of Braunston please help us make a difference to children in Eastern Europe and Africa this Christmas.

Braunston Walkers

As our planned walk in October was postponed due to sickness and holidays I thought you might like to read this ode to a walk around our beautiful village. A warm September morning as I set out with the dog,
The wispy clouds on high as up to the church we trudge,
The footpath leads down across ridge and furrow,
Past the bleating sheep and sleepy cattle,
Down to the canal bridge,
The sun shines through the cloud reflecting in the wake of boats
As we along the towpath wander greeting holiday makers as we go,
Past the farm where a garden fire leaves a wreath of grey
Under the busy A45 with trucks thundering by, on their way
Inches from the peace of the old canal
Designed for horses the towpath leads past moored boats
Over the double white bridge with marks caused by tow ropes
Where the Oxford canal wends its meandering way south.
The sun shines bright leaving gold and silver in the wake of boats
Past a preening swan leaving white feathers floating like sailing ships
And all the while the spire of All Saints stands guard over the bend in the canal
From its lofty heights above.
Bushes filled with berries red hang over the path
As well as willow trees that stroke the head as we walk by
Ducks seek out food and avoid the passing narrow boats.

We walk past the Old Stop House, no toll to be paid today,
Ducks seek out food and avoid the passing narrow boats.
We walk past the Old Stop House, no toll to be paid today,
And on our left the wondrous smell of huge breakfasts from the Gongoozlers Rest Boat Café boat
Over the bridge past the marina
Hundreds of brightly coloured boats moored here
And on to the bridge with the ever steeper Nibbits Lane
Past the bulrushes where moorhens tentatively step as if not wanting wet feet
Over the rickety wooden bridge past the rest of the marina
Alongside the industrious boatyard with noise of hammer on steel
And welders arc a shining, past the Union Canal Carrier yard
We turn away from the canal here and enter the green slope
Of the pocket park and stride up hill past the new allotments
full of bounty
Into the village green and then through the cut through to Church Road
At the end of the road the Church and mill make a magnificent picture
Sun glinting on the spire
We take the cut through down to The Greenway and home for a cuppa
Every season is different indeed every day
Who would want to live anywhere else?
Not me.
