## Preliminaries

**Carriage** - Orders with equipment valued below £5,000 carriage is charged at 10%. Orders with equipment valued above £5,000, carriage is charged at 5%.

**Site Security** – As recommended by the Health and Safety Executive, 2m high temporary site security fencing will be erected whilst all installation works are undertaken.

**Project Management and CDM compliance** – We shall comply with the provisions of The Construction (Design and Management) Regulations 2015 (CDM) where it is reasonably practicable to do so and, at all times, consider the importance of The Health and Safety at Work Act 1974. For projects that are notifiable under CDM, we shall ensure that our workforce has access to the following, legally required, site welfare facilities:

- Wholesome drinking water, means to boil water and heat food
- Suitable facilities for rest, including tables and chairs with backs and, where necessary, changing rooms and lockers
- Suitable and sufficient toilets and washing facilities, including running cold and hot or warm running water

Our charge includes: visiting and off-site project management; delivery, maintenance and collection of temporary items; site safety signage; and, the safe disposal of excavations, where specifically necessary.

**Site storage** – Supply secure container for duration of the works inclusive of site compound management.

# Terms and Conditions

1. **This quotation is valid for 60 days**
2. **V.A.T. is not included**
3. **Prices are strictly 30 days nett** from date of invoice provided a credit account is in operation and we specifically draw your attention to clauses 3, 4, 6 and 7 of our terms and conditions of sale (which can be seen on the reverse face of the first page of this quotation or the last page of our catalogue).
4. **Carriage Charges** within the UK Mainland are: Orders with equipment valued below £5,000, carriage is charged at 10%. Orders with equipment valued above £5,000, carriage is charged at 5%. We have a minimum carriage charge of £10. Carriage outside UK Mainland, price on application
5. **Budget Installations Cost:** Budget costs assume that easy lorry access and precise siting of the equipment will be provided, no surface or underground obstructions will be encountered during excavation such as concrete, hard-core, rock, chalk, roots, drainage, gas or water pipes, telephone or electricity cables etc. In the event of any such obstructions we reserve the right to charge for any additional work involved. We cannot accept liability for any consequent charges that may be incurred by disruption of any of the foregoing services. For fixed installation prices a site survey is required by an Area Manager prior to the order being placed.
6. **Minimum Installation Charge:** On orders received with installation a minimum installation charge per site applies in all cases.
7. **Non HAGS SMP Product:** In cases where HAGS SMP includes within a project non-HAGS SMP items specified by the client or its agent HAGS SMP does not warrant that product or service as fit for use and its inclusion by HAGS SMP does not endorse the item as conforming to required standards. It is assumed that before specifying the client has assured themselves as regards conformity to EN1176, durability and fitness for use. Any guarantee claims relating to the specified item will need to be directed to the manufacturer or distributor of the item directly. HAGS SMP does not guarantee such goods or services in any way.
8. **Product Development:** HAGS SMP has a policy of continuous product development and improvement. We reserve the right to alter specifications and design features of our products. In this context illustrations and descriptions contained in our sales literature and drawings are not binding.
9. **Delivery/Installation Timeframe:** Delivery of product will be confirmed with order and is typically 6/8 weeks from receipt of written order. Installation is undertaken subsequent to delivery of equipment and time required will vary according to the project. Most are completed in 2/3 weeks after delivery of equipment.
10. **Damage to Grassed Access Routes:** During installation of a playground damage to grassed areas used as an access route is sometimes unavoidable. This is particularly the case if the installation occurs in wet weather or the site itself does not drain well. HAGS SMP will if necessary level and seed any areas damaged in such a way. But please note that our quotation does not include for watering, maintenance or protection of such seeded areas from further damage or erosion.
11. **Liquidated Damages:** Would you please note that unless formally agreed in writing as part of an established form of contract (e.g.: JCT Minor Works) **HAGS SMP Ltd will not accept the imposition of liquidated damages** under any circumstances. Should such an agreed contract be in force the damage applicable (such financial damage to be real) shall be no greater than 1% per week of the total value of the works placed with HAGS SMP and limited to a maximum of £250 per week.
12. **Settlement Discount:**
  - a. **NOMINATED SUB-CONTRACTOR:** Should a settlement discount of 2.5% be required under the terms of the main contract, then 2.563% should be added to all prices quoted herein.
  - b. **NOMINATED SUPPLIER:** Should a settlement discount of 5% be required under the terms of the main contract, then 5.263% should be added to all prices quoted herein.
