

You are warmly invited

**All Saints'
Church
Braunston**

**Sunday
7th February
11am**

To celebrate the completion of extensive work to the roof and masonry of our village church the vicar and church council are delighted to invite you to join us at a service of thanksgiving followed by a celebratory glass and light refreshments.

Many people have worked hard over seven years to see this major project realised. Many others from the village and beyond have supported it with their money, expertise and enthusiasm and God has blessed the work. This is an opportunity to say thank you and enjoy our restored church building.

We hope you can join us.

A. Powell
