Helpful hints for the home produce, handicraft and photograph classes

HOME PRODUCE – GROUP F

ALL items will be tasted for judging.

RECIPES – where you are asked to ‘see recipe’, please keep to recipe on page 8.

Use tin size stated for best results and present your cake on a plate. Remember collect your plate(s) at the end of the day if donating cake(s) to the auction.

CLASS 72 – VICTORIA SANDWICH CAKE

Ensure the cake has cooled completely before adding the filling.

The size of the baking tins used will not be considered when judging.

CLASS 73 - FRUIT CAKE

Take care not to simmer on too high a heat or for too long.

Allow to cool properly before adding the egg and flour.

The size of the baking tin used will not be considered when judging.

CLASS 74 – FRUIT SCONES

The four scones should be of matched size and shape.

CLASS 76 – ‘FREE-FROM’ - Please include a card stating all ingredients and note what your exhibit is ‘free-from’.

Tops with a plastic lining may be used instead of cellophane covers for jams and jellies. Please **do not** use **plastic lids**.

CLASS 99 needs a small card attached to it that lists the recycled materials used in the item.

CLASSES 88, 100 and 101 please state the size of the item that you are entering to help us allocate enough space for its display.

CLASS 102 aims to give more scope to exhibit your craft items not covered in the other titles e.g. printing, calligraphy, lace work, metalwork.

SUGGESTION BOX

We like to hear about new ideas for classes for future shows.

What would you like to see in the Show Schedule?

As well as competing with others a number of families enjoy competing with each other. Look at the Open Class (OC) categories and hold a fun competition by encouraging friends and family, who may have no direct link with the village, to join you entering the varied classes.

We look forward to seeing you at Braunston Village Hall on Show Day.
